Green Day

'Let's Go Green' is our slogan. Green symbolizes prosperity which is reflected in the UAE Flag. Green Day was celebrated with great zeal and enthusiasm. Students and teachers came to school dressed in pretty green attires.

Children brought some medicinal plants and ornamental plants which they planted in our small garden.

The students of Senior KG explained the different virtues of green, its importance in the UAE National Flag, Traffic light, Our Environment etc. They also explained the importance of medicinal plants. Acts of green conveyed the message that we should not cut trees and grow more and more trees. Green Day was a practical learning experience for the children and was very enjoyable.

Eat Right Get Active

"Eat Right Get Active" a school based awareness program with the aim of improving health status among all students through healthy eating habits and physical activities. We held our "Eat Right, Get Active Week on 12th-16th Novmeber2017, children were very active in the program wherein they made different recipes with- fruits and vegetables like vegetable sandwich, fruit salad, and vegetable salad. They had so much fun.

Student Led Conference

Student Led Conference provide parents with updates on their child's progress and opportunities to see their student's work. They also open communication

between school and home. However, students often are passive, or even absent, during traditional parent-teacher conferences. One way to fix this is to put students at the helm, as they are the ones who are responsible for their work and progress. We have once again proved that our children have mastered the lesson and activities we had in our class for the past weeks. Our parents were very happy

46th UAE National Day Celebration

Is celebrated on 2nd December each year in the United Arab Emirates. It marks the UAE's Union Day between the seven emirates which was followed by the joining of the seventh emirate, Ras Al Khaimah, in 1972. The National day of UAE does not stand for the nationalisation from the British Protectorate Treaties which declared in 1968, it is the anniversary of the federal unification of the seven emirates in 1971 which combined to form the modern-day country, headed by Sheikh Zayed Bin Sultan Al Nahyan, the federation's first president. Grand celebrations are held across the country to mark the event.

We, in the KG Department both AJI and AJB celebrated the National Day last 29th of Nov. 2017. The children were dressed in a National Costume of UAE they were very proud and excited to celebrate this special occasion of the country. They had different foods which was shared with their classmates and friends. It was a success and meaningful day.
