AJ Celebrates Mathematics Awareness Month

FROM 14-10-2018 TO 31-10-2018

شهر التوعية بالرياضيات

Pure Mathematics is, in its way, the poetry of logical ideas ,
Albert Einstein

Mathematics is the science of numbers and their operations , interrelations, combinations, generalizations, and abstractions and of space configurations and their structure, measurement, transformations, and generalizations. Algebra, arithmetic, calculus, geometry, and trigonometry are branches of *Mathematics*. Math skills are just one part of a larger web of skills that children are developing in the early years—including language skills, physical skills, and social skills. Each of these skill areas is dependent on and influences the others.

It's time to celebrate Math! This year, **AJI Primary**, proudly celebrates its first Mathematics Awareness Month!!!!. This month is celebrated to increase the visibility of Mathematics as a field of study and to communicate the power and intrigue in Mathematics. We bring below listed activities on experiential Math opportunities to help students celebrate Mathematics Awareness Month.

AJI PRIMARY has planned the following activities in order to celebrate MATH MONTH.

Mathematicians

Carl Friedrich Gauss,
known as the prince of
mathematicians

Gauri Nanda Salu of Grade 6 D secured second rank in Inter continental MaRRs spelling bee competition.

Abu Dhabi Department of Education and Knowledge (ADEK) has launched a new initiative named **Question-a-Day** programme to prepare the students of grade 4 for the international benchmark exam.

The **Question-a-Day** program is designed to help students acquire the skills and strategies needed to solve problems which require higher-order thinking.

Food Week

AJ CELEBRATES INTERNATIONAL FOOD WEEK

FROM 14-10-2018 TO 18-10-2018

World Food week activities provide education to individuals on ways they can change simple daily habits and decisions to make a difference. Eating healthy is said to be the key to a healthy quality life. Our physical fitness and overall health is highly dependent on what we eat. In order to inculcate healthy eating habits

AJI PRIMARY has planned the following activities for **FOOD WEEK**.

Activities for food week

**Book marks
(Topic –Healthy eating)**

**Slogan writing
(Balanced diet)**

**Poster making (Zero
hunger)**

Fitness day

Apple crunch at AJ

BOOK MARK MAKING COMPETITION

As a part of food week AJI celebrated book mark competition for grade 4 students on 14th October 2018. Students enjoyed the competition and made beautiful book marks with pictures of fruits and vegetables.

Treasure hunt

Food week activities

AJI conducted treasure hunt on 15th October 2018 as a part of food week. Children enjoyed the game. I was very enthusiastic and fun filled activity. They have learnt about the nutritional values and health benefits of the fruits they have brought to school.

Educational Trips & Visits

The Advantages of Educational trips

Real-World Experience

Educational trips provide an opportunity for total immersion in the natural environment and social setting.

Classroom Inspiration

A student who sees, touches and smells historical relics, ancient artifacts and original sources of text becomes motivated to learn more in depth when he returns to the classroom. Educational trips stimulate learning beyond what textbooks and videos can provide to the learning environment.

The school organized an educational trip to Palace Museum , Al Ain, for the students of grades 4 as part of the curriculum, during the school hours in the month of October. The purpose of the visit was to give an enriching learning experience to the students about the unique heritage and history of UAE.

It also helped them to know more about the father of the nation, Sheikh Zayed Bin Sultan Al Nahyan and the ruling family.

We also organized a visit to Qasr Al Muwajji, in this month for the students of grade 6 .The purpose of the visit was to know more

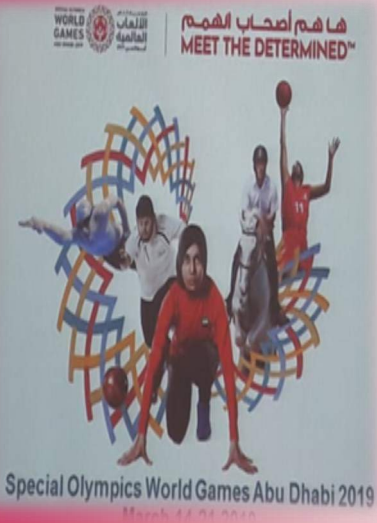

about the life of the President of UAE, Sheik Khalifa Bin Zayed Bin Sultan Al Nahyan from his early childhood, leadership and vast national achievements. Some of the students got a chance to attend a workshop on "Making bracelets and rings" using palm leaves.

AJI Primary celebrates United Nations Day

UN Day marks the anniversary of the entry into force in 1945 of the UN Charter. With the ratification of this founding document by the majority of its signatories, including the five permanent members of the Security Council, the United Nations officially came into being.

Special Olympics Abu Dhabi World Games organized a workshop for the students of grade 4-6. The organization committee member and **Coordinator Mr. Seth** addressed the students and enlightened them with the various opportunities in Olympiad and how to enroll themselves in the world Olympics.

Global Indian International School – Inter School Competition, Abu Dhabi

The interschool competition offered students the opportunity to research and present their results before a large perceptive audience and a panel of expert judges. The Inter School Competition is an event aimed at spreading environmental awareness and action, as well as the development of character, self-confidence, and presentation skills among the younger generation.

Daania Fathima of grade 4 D secured 2nd place in Short film competition in the GIIS interschool competition. She presented the life history of Rani Laxmi Bai – The legendary warrior.

Math Assembly 30/10/18

Math department took an initiative that provided focused support to AJI Primary in developing Math skills through various vibrant activities which held up during activity periods and break time. Students were found enthusiastic and curious to learn and to know more about Math. During this special occasion students loved to explore the great Mathematicians and the contributions made by them. The corridors of the Primary were well decorated by the team of teachers and students.

Math Assembly programme was blessed with the esteemed presence of our beloved Chairman Mr. Arshad, Mrs. Tanveer Arshad, M.D of AJ group, Mrs. Humera Sharief, our loving & vibrant, Vice Principal of AJI Primary.
