Welcome Back...

“The more
you **READ**
The more
THINGS
you know
The more
that you
LEARN
The more
PLACES
you’ll go”

*"Good Seasons start with
Good Beginnings."*

- Sparky Anderson

After a long, relaxing and refreshing summer break, the school opens the doors on 2nd September, 2018 to wel-

come back the students into their nurturing environment with the aim to ignite the spark of genius talent in each and every child.

The faculty joined hands together and organized a special welcome assembly wherein the primary

school Vice Principal Mrs. Humeira Sherif, in her address to students, provided reassurance of an exciting, challenging and opportunity filled session.. To make things creamier, the teachers surprised and

enthralled the students with a flash mob dance and a welcome song along with a variety of ice - breaker activities

which set in the mood of school life once again.

Teachers Day Celebrations!

In commemoration of Teacher's Day which falls on 5th September every year, the students of grades 4-6 (under the guidelines of the student council) organized a wonderful gesture on 6th Septem-

Backdrop designed by students

"A good teacher is like a candle, it consumes itself to light the way for others"

ber, 2018 in the form of a special assembly, to pay tribute to their teachers. The celebrations included a variety of activities for the teachers which helped to form a fresh set of sweet memories. The students

portrayed their love and gratitude for their teachers by presenting each of them with a token of love.

LANGUAGE MONTH

" A different language is a different version of life"

September was the month of language in AJI Primary. The main aim was to encourage cultural understanding,

tolerance and the enjoyment of diversity among students as well as teachers. On this special occasion, language assembly was held on 19th September.

With the support and the guidance of the language teachers, our students performed a plethora of activities to promote positive attitude towards different cultures and languages.

THURSDAY ACTIVITY

“Creativity is the process of having original ideas that have value”

- Sir Ken Robinson

During the activity periods, students were showing their skills in card making and poster

making competitions. Through these activities, they unmasked their never-ending creative ideas.

Hijri : Islamic New Year Celebration

Islamic New Year also known as Arabic New Year or Hijri New Year, is the day that marks the beginning of a New

Presentation of speech on highlights of Hijri New Year

Islamic Calendar Year. AJI Primary celebrated the Islamic New Year on 13th September. It represents a period for self - reflection and historical awareness.

“School assembly can serve as a focusing center of all forms of extra curricular life.”

Class Assembly

An assembly is very helpful in developing a community spirit among the students. The main intention of the school assembly is to develop a feeling of unity among the students and teachers. With this intention, the students

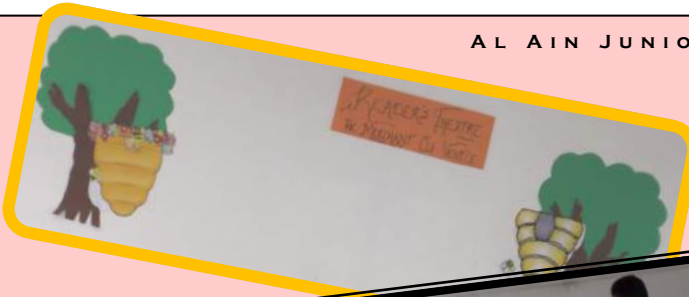

and teachers of grades 4 – 6 assemble at AJI stage on every Tuesdays. The main objective is to nurture and maintain a positive, healthy culture which binds everyone together.

Reader's Theater..

Readers theater is highly engaging, collaborative literacy activity that has students practice and perform short scripts which are adapted from literature. Reader's theater is great to achieve the four language skills: LISTENING,

SPEAKING, READING, WRITING. The 6th graders of AJI performed a play of the famous play-

wright, William Shakespeare, The Merchant of Venice and that was the best way for the students to become interested in and familiar with that play. Its goal to enhance students' reading skills and confidence by having them practice reading with a purpose.
