Sub: IGCSE SUBJECT SELECTION FORM

Dear Parent,

As we look forward with excitement to the possibilities and opportunities of another school year, it is important to ensure every student finds his/her passion to education and fulfill their potential.

The move from Middle school to High school is undoubtedly one of life's milestones that are looked forward to with no little trepidation by learners and parents. Entry into grade 9 marks the beginning of the Cambridge IGCSE course and culminates with AS and A level courses.

We expect all the parents to join us with the students in our endeavor to guide and provide the best form of education.

Please find the list of final subjects for selection for IGCSE 9th Grade. Each student will study seven (6) IGCSE subjects, plus a range of compulsory subjects that Al Ain Juniors Schools follow as assigned by MoE.

Kindly note:

- Students who opt subjects from **others category** at s.no. 11 will receive guidance and support in school while they are in Grade 9. However, school cannot support these subjects in Grade 10 and if they wish to continue, they have to do self-learning mode.
- The school will support the subjects chosen at s.no 11 if the minimum intake is 12 students.
- IGCSE students must achieve a grade of **C** in all their chosen subjects.
- Any students opting for four (4) subjects is allowed to do so only if he/she has secured **A*/A** in all subjects they have chosen.
- Orientation will be arranged soon for subject selection.
