ICT - HOLIDAY ASSIGNMENT

GRADE-7

Design the web pages using HTML on the following topics with good formatting, aesthetics and presentation. The webpage must include pictures and applications of all the tags:

(Choose any one topic given below)

1. Dubai Expo 2020.
2. Buildings and structures in Dubai.
3. Universities and colleges in Dubai.

After designing a web page, take out printout of the output as well as the HTML code in the folder or in the booklet and submit them.
