# Pencil Colouring Competition

Colouring is all about creativity. Colouring promotes fine and gross motor skills. Pencil colouring competition was held on 7<sup>th</sup> October 2019 . All students of Sr Kg were given the same colouring sheet. They were briefed on the rules to be followed. The competition was full of excitement and enthusiasm. The little artists had the freedom to select the colours of their choice and use their creativity to try and produce their best work. Students enjoyed colouring and exhibited fine art work.
