Health and Fitness Festival

Al Ain Juniors School organized a “ Health and Sports Festival” on Thursday 7th February 2019 with complete focus directed towards promoting health and fitness through sports. With interesting activities , competitions for students and parents , fitness challenges, students display , health and fitness related lectures by specialists as well as a science exhibition were planned to provide rich learning experience to students and all attendees.

School Recycling Campaign

Al Ain Juniors School celebrated “School Recycling Campaign” for a week from Sunday 17th February to Thursday 21st February 2019. The goal of this campaign was to encourage our students awareness and respect for nature. Parents were requested to work along with their children to come up with different projects using the old and used material.
