**Sub: RAMADAN HOURS**

Dear Parents,

As the holy month of Ramadan is about to commence and distance learning will continue as usual to ensure that students' educational progress and well-being are taken care of. Therefore, please follow the below instructions, which will help you to monitor and design most suitable schedule for your child(ren) during Ramadan.

**Distance learning hours:**

- For KG to Grade 6 students : 9:30am to 12:30pm
- For Grades 7 to 12 students: 9:30am to 2:00pm

**Office hours during Ramadan: 9:30 a.m. to 1:30 p.m.**

**Point of reflection:** We are proud of what has been achieved in a short period of time and appreciate the tremendous efforts our teachers continue to put in, to ensure our children proceed with their education.

We are equally proud and grateful for the time and effort you have invested at home to help your children while also managing your work remotely. This wouldn't have been possible without you. We also appreciate your participation in surveys and sharing your feedback which showcases your deep down understanding that

- ✓ Distance Learning was not a choice, it was a necessity.
- ✓ Distance Learning is not a downgrade from the education you aspire for your children, it's a show of triumph and resilience against adversity,

All the above attests the fact that we all, **authorities, school, teachers and parents** believe to our core, in the basic right of every child to a quality education.

Let us all in this holy month of Ramadan pray that this situation come to an end. In difficult times, keeping the big picture in mind and maintaining solidarity and community cohesion will bring us closer together as colleagues, as families and as a society and it is proof that we are indeed, stronger together.

Ramadan Mubarak!

Thank you for your continued support
