IMPORTANT INFORMATION

Dear parent,

We hope that you and your family are in good health and safe!

As per the decision of the UAE Government and the guidelines from ADEK, AJ School is gearing up with all necessary preparations to reopen the school from 29th Aug, 2021, with Face-to-face learning in school and Distance learning (DL) model from home as we welcome our students back with all possible precautions protocols in place towards the safety of students & staff.

Throughout the summer break, our teams have worked extensively to make all necessary arrangements as per the guidelines received from the MOE and ADEK, to develop the school reopening model for Al Ain Juniors School.

With all the experience gained and successfully implementing F2F and Distance Learning DL in the last term, we look forward to the start of 2nd term for KG, by implementing a full f2f model for students opting to come to school to study & Distance learning (offsite) model for students opting to study from home.

The school will be offering the following models for parents to opt for their children, which has already been shared with parents earlier.

- **School Reopening Update:** Kindly note the following update received from ADEK.

KG 1 to Grade 12 will resume face to face classes for first four weeks starting from 29.08.2021.
- **Updated Abu Dhabi Parent Guide on Reopening Policies:** Parent guide on school reopening policies is attached along with this circular. This guide provides you with essential information to prepare you and your child for their return to school

We would like to emphasize and reassure that, the safety and wellbeing of the whole community remains our top priority, but we also want to ensure that we do all we can to help our students thrive academically, socially and mentally. Students' well-being is at the forefront of our minds. Consistency and continuity in curriculum delivery and routine is essential for children and it is the clear preference of our families.

➤ **Important Action Points:**

- **Fee Payment:** we highly appreciate the parents who kept their children's school fee record up to date and have paid all fees as and when due.

Parents of students with outstanding school fee are requested to pay up as learning continues. Let's strive to meet the school fee obligation to avoid disruption in continuity of learning.
