Based on the above official media announcement and update received from ADEK, we would like to notify all our parents and students that our school is placed on Distance Learning for the first two weeks of Term-2 starting from 3rd January 2022 to 14th January 2022.

This is to help guarantee everyone's safety whilst we settle back into the term. We will work closely with ADEK regarding the remainder of the term and let you know as soon as we have any further news.

As all of us know and realize that "The art of life is a constant readjustment to our surroundings". It is reassuring to see that unfazed by circumstances, we all stand united in endeavouring to identify and maximize learning opportunities for our students.

On completing term 1 of AY 2021-2022 through both Face to face and digital online learning along with personal mentoring, we hope that your children are well equipped and equally passionate to continue learning during Term 2 and the following information will guide you and your children during first two weeks of Term 2.

### **NEW CLASS TIMETABLE:**

Following the announcement of the U.A.E. government regarding the new work week, please read thoroughly and get familiar with the new Class Time Table when classes begin from Monday, 3rd January 2022. Class Teachers will share the new class timetable with the parents and students by their respective classes. This timetable will be equally applicable to Distance Learning Mode as well and hence students are expected to attend classes as per time table using Microsoft Office login credentials on respective class/subject teams.
