Important notes and requirements parents should be aware of:

- This vaccination campaign is dedicated to students taking their first or second dose. Booster doses are not included as they are not required for students below 18 years of age

- Vaccines available:
  - Students ages 12+: Pfizer and Sinopharm
  - Students ages below 12: Sinopharm

- The following documents are required to obtain the vaccination:
  - Student's original Emirates ID card
  - Consent form signed by the parent/guardian (Pfizer / Sinopharm forms)

- Vaccination cannot be offered to students who have received any COVID-19 vaccines other than those mentioned above

- Students who have been infected with Covid-19 previously cannot be vaccinated before 3 months from their last positive test result

- Students who have taken the seasonal Flu (Influenza) vaccine must complete 14 days from their (Flu) vaccination date before getting the Covid-19 vaccine

- Students showing any COVID-19 related symptoms, including fever or cough, cannot take the COVID-19 vaccine
