English Month 2021

This New Year 2021, the English Department welcomed the students by introducing them to the vibrant English month activities. The theme for the month was -"To love, to enjoy and to explore English",

English Language Month is a month-long celebration of the uniqueness of the English language and all the learners working hard to master it since English has become a uniting force. The goal of English Language Month is to create an ongoing celebration of this global and constantly evolving language.

To spice up the activities, all our English department members really did a great job and we tried our very best to make our English month a grand success. With the aim to explore English in various ways we had innovative and creative ideas. The quintessence of using the English language was highlighted in all the activities given to the students.

"The limits of my language mean the limits of my world"

Declamation

To summarize the activities, we had poem recitation, storytelling, versification, caption writing, poster making, PPT presentations, dramatization, producing documentaries, comic writing, play writing, essay writing, story writing and testing LSRW skills in English. All of them were enjoyable and intriguing activities. I think participants had a great time!

The performance in the skits by the grade 7 students was amazing!

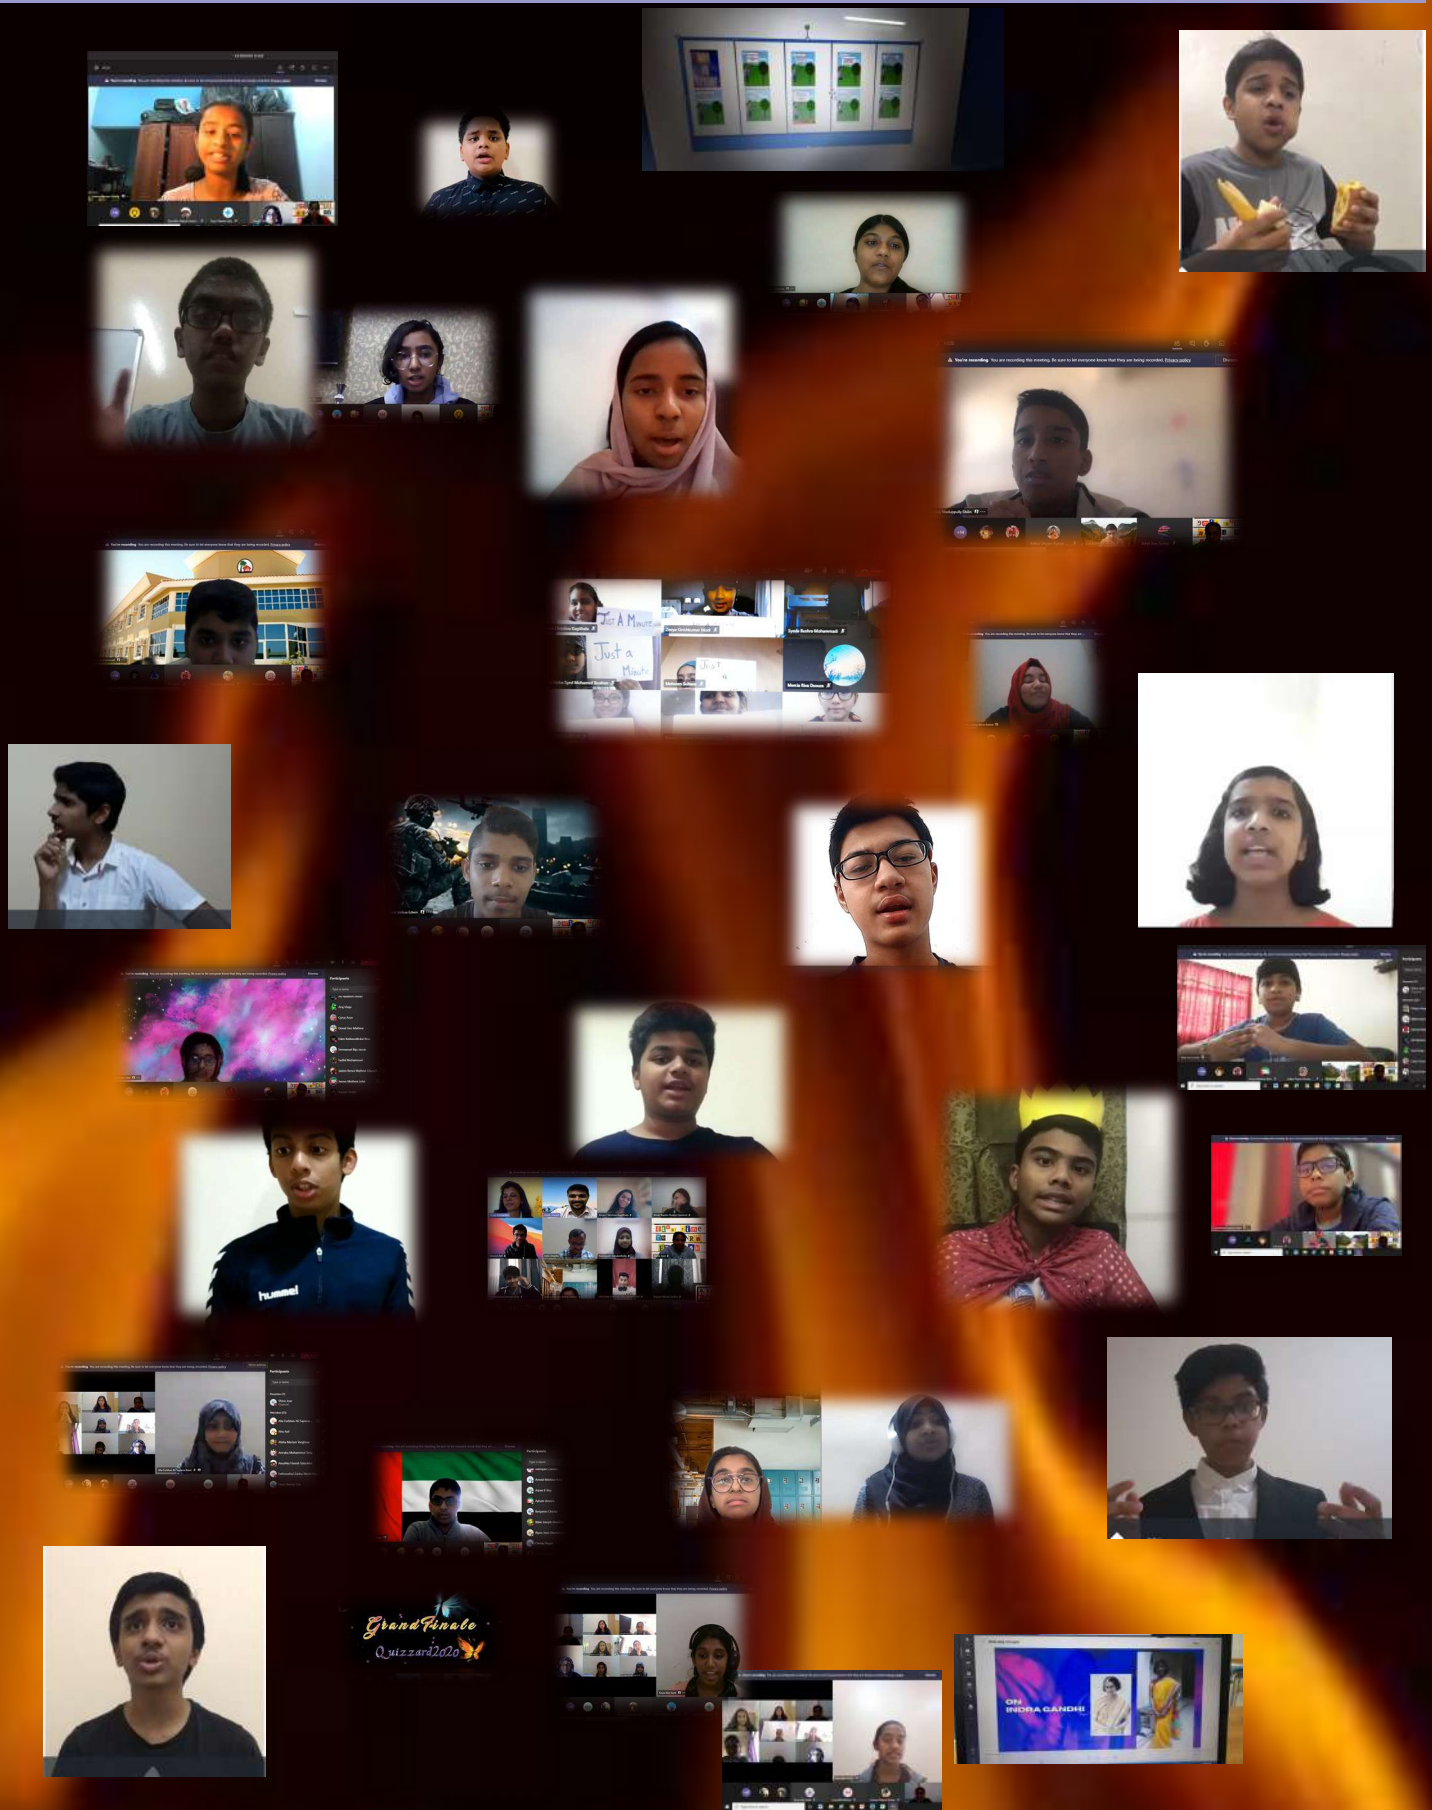

The concluding ceremony had a mind blowing quiz competition which was appreciated by all the students' who participated in it.

Besides, all the enthusiastic support given to us, the drive to do better next time.

DRAMA FEST

Creativity is a key asset for further education and beyond. This time as a part of The English Thematic month, the grade 7 students prepared themselves to dramatize the plays, 'JULIUS CAESAR', 'THREE MEN IN A BOAT', 'UNCLE PODGER HANGS A FRAME'. Ms. Leena guided the students. The students came out with confident and enacted the plays with so much creativity bringing out the scenes live.

REACH CAMPAIGN SCHOOL ENGAGEMENT PROGRAMME

Giving is the key to success and fulfilment. The world is in need of people who could go into the world and give selflessly to aid in the betterment of the society. Al Ain Juniors school took part in the humanitarian campaign named “Reach Campaign School Engagement Programme”. Recognizing the unique and effective role a school must play in building and empowering the society Al Ain Juniors decided to be part of the community program aimed at raising awareness and funding to end two Neglected Tropical Diseases (NTDs): River blindness (onchocerciasis) and Elephantiasis (lymphatic Filariasis), in seven African and Middle Eastern Countries. If our little efforts and generosity could brighten

someone’s tomorrow, shouldn’t we embrace it??? As a part of it the students were asked to donate two dirhams each and also share the link <https://www.vallagive.com/en/campaign/The-Reach-Campaign-56976> on their social networking pages and promoting the campaign among their friends and relatives.

A Traveler’s Story

*I have traveled far,
Far away from home
I have followed the star
Nothing stopped me
Neither the sun nor the storm
I travel because it’s my destiny.*

*I’ve seen everything
And now the time has come
The time to stop my wing
The time to go to a place where I belong
The time to return home
To home , sweet home.*

Amna 9 B

*I’ve been across the world
To places cold and hot
Nobody’s been concerned
Neither a friend nor a foe
But I will not forget
That all along I’ve used my toe.*

*I’ve seen many
Some were kind and lively
Where others were rude and stormy
Some poor, with nothing to thrive
Some rich, with so much to be jolly
But all were humans who wanted to survive*
