Ciencia Inovadore

Ciencia Inovadora

Alain Juniors School, has celebrated February as Science Month, an initiative undertaken to make the students understand that science is Fun and interesting. This year's science month celebration has the theme: Ciencia Inovadora.

The students from class VII – XII has participated in various events such as Spell Bee, Radio commentary, Role play Science talks, getting to know more about scientists. The highlight also includes making various innovative models, forming a connection with our environment, emphasis on solution of the problems which occur globally and diet as a key factor for our health as it comes first

The **objective** of this competition was not only to inculcate scientific attitude, research mindedness, critical thinking and promote sustainability within students but also to help them to come up with novel solutions to everyday problems Impacting worldwide.

A special Assembly was conducted to showcase the Talents and Encourage students to be part of it and how EACH ACTION MAKES A DIFFERENCE.

Glimpses of the Event:

Science Themed Board Décor

Giant Heart Model

Drama on Environmental Conservation & Semi Classical dance (5 Elements of Earth).

Robotics & Innovative Ideas
