Dear Gaffar Sir, Humera Ma'am and AJI Family,

All her hard work and your prayers has been answered, as she has been selected as a winner of the award. It has been a tremendous experience and thanks once again for being part of the journey. All your contributions were valuable and special thanks to Mrs. Smitha Rajesh for providing the needed guidance at each stage. Also, we take this opportunity to thanks Mr. Ummar Sir, Mr. Hussain Sir and all her Class Teachers & support staff. Appreciated.

# English Month 2022

This year, AJI declared January as THE ENGLISH MONTH. We kickstarted the new year of 2022 with a plethora of English month activities that appealed to all students of different grade levels. The students were given a platform to get creative and showcase their talents. From a film making competition to co-play, there was something for everybody!

The first week, we got tech savvy and created digital comic strips related to the lessons we learnt throughout the year.

The second week, we stepped out of our comfort zones with the 'Just a minute' speech contest, an exercise done to enhance public speaking skills, where the students are given mere minutes to prepare for a surprise topic at hand and then articulately present their speeches.

The third week, we awakened our inner Shakespeare's with the Poem recitation and declamation competitions. Watch out wordsworth, we're coming for your pen!

A little something for everyone right? For the bookworms, The department organised a readers cup where students came together in groups, were assigned a book, then quizzed on the contents and story-lines. Some friendly competition never hurt anyone!

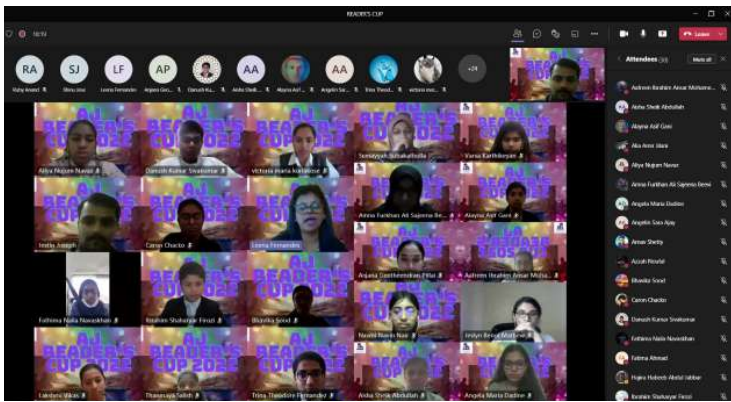

Language is the Armour of the human mind And at once contains the trophies of the past and the weapons of its future conquests, but the English language does not have to be all that serious! Language is an art and if we've learnt anything from it, it's that it's the most flexible weapon in history. So go out there and enlighten the world with your newfound skills of literature but keep in mind, the pen is truly mightier than the sword!

# Republic Day

The students of Alain juniors school came together to celebrate Republic Day as well as to memorialize our patriotism and pride towards India on the 27<sup>th</sup> of January

Throughout the week, the student council organized a variety of activities and competitions, which included a poster making contest, an instrumental competition, and a republic-themed food design contest which were judged by teachers. All of this was done to demonstrate our students' patriotism. Under the supervision of the Social Science Department, a virtual assembly was held on Thursday, January 27<sup>th</sup>. The assembly started with prayer followed by the national anthems and the school song. We were given a lovely thought to ponder for the day. Following that, a stirring address on Republic Day was delivered, which was followed by passionate and mellifluous patriotic songs. Then there was a powerful JAM session that highlighted the reasons for the celebration of Republic Day. The winners of the competitions that were held during the week were then announced. The event came to a close with the head boy giving a Vote of Thanks.

In conclusion it was a spectacular day where the students were able to bask in the glow of Indian patriotism while learning new things about why we celebrate republic day. Overall, it was a very informative, exciting and enjoyable event.
