**SUB: EMIRATES STANDARDIZED TESTS (EMSAT) FOR THE ACADEMIC YEAR 2022-23**

Dear Esteemed Parent,

This is to inform you about the above-mentioned test organized and administered by Ministry of Education (MOE) for Grade 12 students across public and private schools.

**INSTRUCTIONS FOR REGISTRATION**

**Find below, important instructions and notes about the test:**

- **The test is compulsory for Emirati and non-Emirati students if they would like to continue their studies in the Government or private university in the country.**
- **The EMSAT test is compulsory for university admission in government and private universities and colleges in UAE.**
- **The EMSAT test is a requirement for many scholarships through higher education institutions in UAE.**
- **Grade 12 students should do the registration through the school only.**
- The test is compulsory for GRADE 12 Emirati students in government and private schools.
- The test is also compulsory for **non-Emirati** students studying in government and private schools that study the curriculum of the Ministry of Education.
- The test is compulsory for GRADE 12 **Emiratis** and **non-Emirati students** attending government continuing education (Adult Education). The test is compulsory for Emirati students in private schools that study the international curricula.
- If the student is considered as a student Determination (SEN), he should send a certified medical report on his health status and submit it on the "contact us" page on the EmSAT website.
- If the student has a special case that prevents him from holding Emirates identity card for any reason, he must send the identification papers and an approved document explaining why the identity Card is not available and submit it in the "contact us" page on the website.

The test offers the following subjects for all targeted students (Emirati and non-Emirati):

- Arabic
- English
- Math
- Physics

**All the above subjects are mandatory. Students can take additional subjects listed below as per their university requirements.**

- Chemistry
- Computer science
- Biology

## **TO REGISTER:**

Fill the EmSAT registration form: <https://forms.office.com/r/NfLSWrLaze>

(Deadline: 1st November 2022).
