Grade 5 Newsletter - Month of NOVEMBER

Progress in International Reading Literacy Study (PIRLS) 2021

Students in grade 5 had an opportunity for the academic year 2021-2022 to participate in Progress in International Reading Literacy Study (PIRLS). It provided the best policy-relevant information about how to improve reading skills and helped young students to be self-sufficient readers. PIRLS assessed the two overarching purposes for reading that account for most of the reading done by young students both in and out of school: for literary experience and to acquire and use information.

"When one
teaches, two
learn"

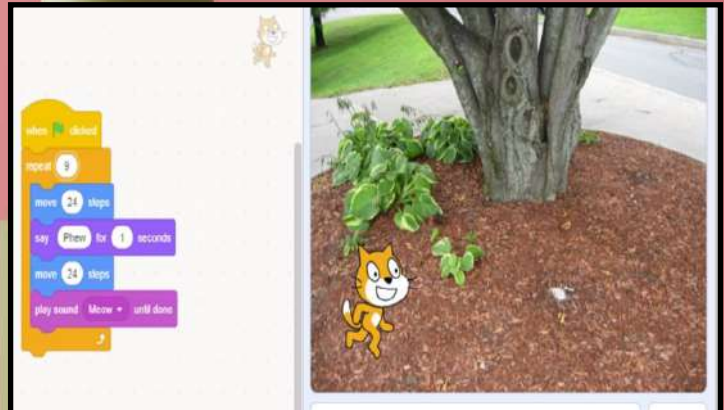

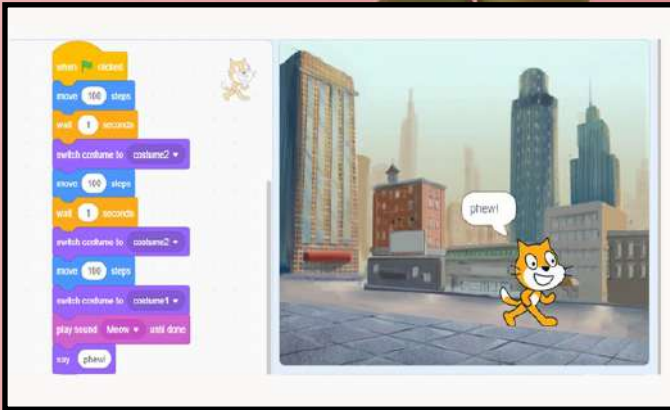

—Robert Heinlein

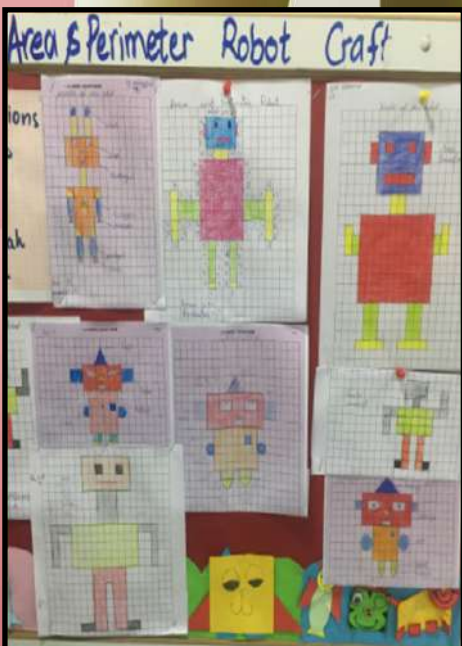

Grade 5—Class Activities

The students of grade 5 were introduced to the world of programming through the Scratch application. Students were thrilled and excited to work with scratch and even created used their imagination to create their own projects such as small games, short stories and quizzes.

Area and perimeter Robots:
Students get a chance to create their own robots using grid paper, solve for the body parts' area and perimeters and record them in the robot's speech bubble.

PRACTICE TO IMPROVE CHILD'S ACTIVE LISTENING SKILLS

ORUBA-5D

FRENCH

In Science, students learned about Plant kingdom and about Healthy Lifestyle. Now, they have the confidence of identifying a plant as monocot or dicot by looking at their leaves and flowers. They enjoyed making posters on impact of diet and drugs on the body. They got an opportunity to revisit their diet plan and had an insight of sugar content of different foods and how modified lifestyle can boost up the health of a person.

GRADE 5C ASSEMBLY- WORLD KINDNESS DAY

World kindness Day is celebrated every year on 13th November worldwide and students of grade 5C had done their assembly on this theme.

Objective: To promote sympathy and compassion towards people and to make everyone understand that compassion for others is what binds us all together.

The assembly started with the Arabic and English prayer followed by the National Anthem of UAE and school song. An articulate speech on the theme 'World Kindness Day' was presented by Nada Shahid followed by quotes based on the theme. After presenting the quotes, the students performed a dance on the song kindness which stressed the importance of kindness and the spread of kindness. All most all the students were the participants in the assembly.

The concluding part of the assembly was that: Kindness truly can change the world and make it a better place to live. Spread kindness not virus.

CLUB ACTIVITIES: SUSTAINABILITY

Objective: Able to create useful things from waste materials and use it in the daily life

Outcome: Understands that useful products can be created by recycling the used things.

Understands that newspaper can be recycled into day to day useful product

The students learnt to create different products like pen holder, flower pot, paper bags, and paper basket. They understood that useful products can be created using recycled materials like plastic bottles and newspapers and by this way they can take care of the environment also.

CODING CLUB:

In coding club students explored the python programming language.

They learned the syntax of the input and output statements. They created programs to add, subtract, multiply and divide by using the input and output statements. Students also had a fun time programming robots to dance, creating music and designing t-shirts using code.

General Assembly

GRADE 5D'S ASSEMBLY ON NATIONAL ANTI -BULLYING

Anti-Bullying Week 2021 took place from Monday 15th - Friday 19th November with the theme One Kind Word. The students of grade 5D based their assembly on this theme.

The goal of Anti-Bullying Week is to inform schools, children and young people, parents to know that it takes a collective responsibility to stop bullying.

The assembly began with the Arabic and English prayer followed by the National Anthem of UAE and school song. Students took turns explaining what bullying is and the different types of bullying, UAE's rules regarding bullying and how bullying can be identified and stopped. The students presented a skit based on the theme of the national anti -bullying week- 'ONE KIND WORD'.

They also danced to the song – “This is me”, to emphasize that no matter who we are it is our differences that make us unique and everyone is perfect just the way they are.

The assembly was met with much praise and appreciation by all.

Special thanks to every student of grade 5D for coming up with great ideas, creating an amazing skit that put emphasis on the theme – One Kind Word and presenting an excellent assembly.
