IMPORTANT CIRCULAR

“Revised Fee Structure for the “New Academic Year 2017-18”

Dear Parents,

Greetings!!

As we are moving forward and approaching the **New Academic Year 2017-‘18**, we have a whole lot of plans with various improvement in both academic and non-academic areas which are in line with the school continuous efforts to uplift education standards for the students as also to meet requirements of **ADEC (Abu Dhabi Education Council), Civil Defense & HSE authorities etc.** Please note that there will be a **revised fee structure** for the next academic year **2017/2018** onwards. Attached is the revised fee structure which will be implemented. In this new fee structure, you will find an amount of **Dhs.500/- as registration fees (non-refundable)** to be paid for registering your child for the next academic year. It is not additional fees, but only adjusted in the tuition fee.

This new structure is a new school policy which comes in line with ADEC polices and will help us to plan admissions for the new academic year. In case you want to register your child for the next academic year then; **the amount of Dhs.500/- to be paid by 12th April 2017.** In case the re –registration amount is not paid, then the school has the right not to re-register the student for next academic year. Please sign the below **acknowledgement** of the **revised fee structure** and return it back to us on or before **Tuesday, 28th February 2017.**

Your understanding and cooperation would be highly appreciated!
