

GRADE-6 (2017-2018)

Dear Children

Waking up early and going to school all day has been your regular routine. It's time for a fun filled and relaxing summer break. However, during the long scorching summer months, whether you are travelling or at home, time must be spent meaningfully and interestingly so that you keep in touch with school work and have lots of fun.

Stamp in puddles, climb trees, dig in the dirt, go on a bug hunt, make mud pies, roll down a hill, build a cubby, make a daisy chain, create a garden for fairies.

Playing outside makes children
