**SUBJECT: SUMMER VACATION CIRCULAR**

Dear Parents,

*Greetings!!*

We are pleased to share that we began the new academic session 2018-19, perfectly- with outstanding CBSE board results for Batch-2018 of Grade 10 and 12. These achievements wouldn't have been possible without your involvement and support in motivating, guiding and preparing students to take challenges and succeed. The school is very happy to receive the continual support from the parents and we assure you that our commitment to our vision **"nurturing our young people to be achievers of extraordinary determination, who set right goals in areas of education, morality, attitude, ethics and value"** will be carried forward. It gives us immense pleasure to look back with pride and see the numerous missions accomplished. We take this opportunity to thank all the parents for their unconditional support in all our endeavors.

Esteemed AJI parent community members, the long awaited summer holidays are again ready to welcome you with their warm showers! Life needs to be balanced between fun and work. Summer holidays give a chance to students to relax. During holidays, leisure replaces work as a priority. You are filled with the enthusiasm to explore, travel and learn. Besides relaxing, the students should keep in mind the execution of the assigned work in a well-planned manner. Hence request you to motivate your wards to interact with knowledgeable books that would in turn lead their minds to grow exclusively and in an effective manner.
