SUBJECT: YEAR END CIRCULAR

06.21.18

Dear Valued Parent,

As we approach the end of another busy year we would like to take this opportunity to thank you for the support you have given both to your child and to the school. It was heartening to note that our students participated in many scholastic and non-scholastic activities during this academic year and excelled in both intra and inter-school events. The school was very happy to receive the continual support from the parents and we assure you that our commitment to our vision will be carried forward. The School Management supported the staff with many Professional Development Programmes to ensure that quality learning takes place. It gives us immense pleasure to look back with pride and see the numerous missions accomplished. By the grace of God it has been a successful year and this would not have been possible without your involvement and support, for which we sincerely thank you. We take this opportunity to thank all the parents for their unconditional support in all our endeavors.
