April

Grade 1-3

Issue 1

Greetings and best wishes to everyone. It is School time again!!!! Warmest welcome to all our excellent scholars! We are sure that teachers and parents continuing to work together in a positive partnership will ensure that students have another fruitful and stimulating Academic year.

This is what Happened!!!

Orientation was held for the parents of Grade 1-3 whose wards are entering the threshold of a new Grade.

The students of AJI Grade (1-3) were welcomed back to school on 8th April 2018 with ice breakers, and some fantastic activities by the class teachers.

سنة
زاييد

YEAR OF
ZAYED

Arabic Week as initiated by the Department of Education and Knowledge in accordance with the campaign under the motto of “Year of Zayed and Creativity in Arabic”. The school’s **Arabic Department** organized internal and external activities and events involving community groups in promoting the Arabic Language in the hearts of students, teachers, and parents.

Week Long World Earth Day

All the students from Grade 1-3 participated in the mission of making earth green. They brought saplings and seeds to plant in the parks and gardens of the school. Children also participated in creative activities like slogan writing, card making and poster making displaying their artistic and linguistic skills while showcasing their awareness about conserving natural resources. Celebration concluded with a special assembly on 25th April 2018 in the school premises. Students and teachers took part in the pledge by giving a promise to protect and save Earth.

Club is an association dedicated to a particular interest or activity. At all we lay due emphasis on different activities through active participation in various clubs such as **Literart**, **Eco**, **Junior Chef**, and **Heritage**. Our students actively participate in literary and creative skills at school. The students demonstrate the ability to work in teams and actively participates in school clubs.
