WINTER VACATION

HOMework GRADE 3 2019-20

Dear Parents

Winter Vacation is a time for fun and frolic for your wards and also a time to motivate them to do some constructive activities to enhance their learning process. Here are a few tasks for your child to be completed during the vacation. Encourage your child to do the work neatly, in a presentable manner.

General Instructions:

- *Parents are requested to only guide their children while doing the assignments.*
- *All the works should be handwritten and done neatly and independently.*
- *Originality of the work will be appreciated.*
- *Project / Homework will be assessed on the basis of neatness, creativity and originality of ideas.*

Theme—The Sustainable Development Goals is a set of 17 "Global Goals" to end poverty, protect the planet and ensure prosperity for all as part of a new sustainable development agenda. Each goal has specific targets to be achieved over the next 15 years. For the goals to be reached, everyone needs to do their part: governments, the private sector, civil

society and people like you and I. In our effort to appreciate these goals initiated by the United Nations, we have kept this as the theme for our holiday homework for this winter vacation. Grade 3 will be doing assignments on GOAL-15 LIFE ON LAND.

English assignment

Hi Kids on this chilled winter why don't we gather some information about 'The Sustainable Development Goals' set by UAE. Choose any one assignment from the following.

Let's discover. Have you heard about mangrove national park in UAE? Research and find out the following things:

- What is a mangrove?
- Where is mangrove national park in UAE?

You can find hundreds of birds, plants and other species in and around Mangrove National Park in UAE. In fact there are more than 60 species of birds feeding and nesting, as well as a profusion of fish, shells, and crabs. Read relevant books, talk to your parents, friends, browse for useful information related to the mangrove national park in UAE.

* Write a paragraph about any two species that are mentioned below which is found in the mangrove national park in UAE. (A-4 size paper with a picture- handwritten)

- Western reef heron
- Greater flamingo
- Grey mangrove
- Mottled crab

or

*Make a fact file about Ghaf tree by including the following details. Collect the information under the following headings in an A-4 size paper.

Places where Ghaf is found
Climatic conditions required
Its lifespan
Its Size
Special Characteristics
Usefulness
