Winter Holiday Assignment

Grade 7 2019-2020

**The much awaited holidays are here yet again
and it's time to play and have fun!!**

Dear Parents,

The winter break from school is often filled with travel plans and activities, but it is important to keep your child learning over these weeks. Because children also need a break from school and a chance to play, the best educational activities are ones where children don't realize they are learning.

General Instructions:

1. Parents are requested to only guide their children while doing the assignments.
2. All the works should be handwritten and done neatly and independently in your notebooks.
3. Originality of the work will be appreciated.
4. Project / Homework will be assessed on the basis of neatness, creativity and originality of ideas.

English

To keep the young learners engaged in productive learning “School stops for winter, learning never stops.”

A. Listening is an important aspect of language development.

- Kindly download the link of the book “A Christmas Carol” by Charles Dickens
- A quiz test will be conducted in the month of January based on the book “A Christmas Carol”

B. Speaking: Prepare for an elocution topic for 2 minutes. [5 marks]

C. Writing: Compose a poem

MATH

To analyze and investigate the symmetry in real life:

- Album of symmetrical Shapes:

Line of symmetry is found in abundance everywhere around us. Collect samples of symmetrical figures found in nature, in your house, places where you visited etc. and prepare an album. (Max: 10 pages)

- Symmetry on roads:

Take any 10 Road signs. Draw the line of symmetry if any. If there is no line of symmetry then mention that the figure is non- symmetric. Name the road sign and explain in a sentence, its meaning.

Road work
