## AL AIN JUNIORS SCHOOL

		Substituting numbers into formulas Finding a formula for the nth term of a sequence		
Biology	Features understanding	Understanding the functions.	To Describe the different parts of a flower and their functions. Describe how pollination occurs.	Draw the flower and label the parts.
Chemistry	Trends in Group I	Properties of first group elements	Identify groups and period. Identify first group elements are alkali metals Recognize atomic size, melting point and boiling point decreases from top to bottom in a group	Draw electronic configuration of group 1 elements. (Li, Na, K)
Physics	Pressure	-Pressure calculations -Pressure in fluids	-Use the equation $P=F/A$ in calculations  - Relate (without calculation) the pressure beneath a liquid surface to depth and to density	Worksheet 9.5
Social Studies	The Great War-Joining Up	Propaganda	Define propaganda	Learn to work

## AL AIN JUNIORS SCHOOL

			and explain to attract more volunteers	out with 'Sources'- Ref pg-28 & 29
ICT	Visual Basic	Components of Visual Basic window	Describe the various components of Visual Basic window	Class test on Unit-1 (MS Access). Submit the ICT project on or before 6.10.2019
French	Les parties du corps	Le corps humain	Identify the part of the body	Exercises 1 and 2 page 108
Urdu	Translation	To be able to translate your thoughts from one language to another	To improve the understanding of other languages. How to translate other languages into Urdu.	Translate the given para from the worksheet.
Pakistan Studies	EOP Transport and Communication	Understand the means of transport in Pakistan	Benefits and problems of different means of transport	Complete the notes
