LEARNING TRAILS

Grade: 6 A/B/C/D

Date: 3rd November – 7th November 2019

Subjects	Lesson	Concepts	Learning Objectives	Homework
MEP (Moral Education Program)	Equality and Justice as Fairness	➤ This unit focuses on justice within small and large groups, particularly in terms of treating others fairly and justly at a school, family or community level. It also addresses the concept of fair distribution.	➤ The lesson aims to explore what ethics, relationships between people, and how they behave. It also introduces the idea of equality, equality / inequality, differences in individual attitudes (by possibilities, personality, or family) and their impact on dealing with others.	Describe some issues that might arise while studying equality (e.g., the difference between equal opportunities and equal outcomes.)
