#### HEALTHY TIP

All the vibrant colours in fruit and vegetables come from natural plant chemicals that have healthy effects on our bodies. Different colours have different effects, so it's good to eat a variety of different colours each day.

Offer your kids a colourful snack of different fruits and berries, or chop vegetables into interesting shapes to make them seem more fun and exciting.

**Class Teachers: Ms. Mehwish (Grade 2B and YEAR LEADER)**

**Ms. Rhea (Grade 2A), Ms. Leizl (Grade 2C), Ms. Reshma (Grade 2D)**
