ANTI-VANDALISM POLICY

Students are expected to take care of school properties. Any act of intentionally destroying school fixtures, furniture and other properties through any means (e.g. making graffiti, breaking) are subject to disciplinary actions (suspension to expulsion):

- All students are expected to demonstrate sense of responsibility while using or handling school property of any form.
- Students must not mark or damage school property, including books, in any way.
- If students notice any breakages, they must immediately report it to the Head of School.
- Where damage occurs as a result of carelessness or misbehaviour, students will be charged for the cost of replacement and repair and will be subject to disciplinary procedures.
