Subject: Amended Schedule of Pre-Mock Exam for Grades 10 to 12 (January 2021)

Dear Parents,

Sequel to the updates received from ADEK and information shared in earlier school circular dated 30th December 2020, we have revised the Pre-mock Schedule for Grade 10 to 12 students.

Hence, we request you to:

- Ensure that your child attends in school pre-mock exams as per the below schedule.
- Make a suitable transport arrangement for pick and drop student to/from school during the pre-mock exam.

Note that these pre-mock exams will help students to prepare well and serve as follows:

- i. Practice toward the upcoming May/June 2021 exam series
- ii. The outcome of these will help:
 - a. School/Teachers to design targeted support classes
 - b. Students to reflect on their strength and weaknesses
 - c. Develop a suitable action plan to overcome the gaps
- iii. These results will also be used to issue forecast/predicted grades
