## MATHEMATICS MONTH MATHOBER

To kickstart the Math Month, a logo competition was organized among our talented Grade 12 students. The winning design, created by Parvathy and Mohammad Idris of Grade 12, set the tone for the entire celebration. The grand opening ceremony, held with much anticipation, featured the unveiling of the chosen logo, creating a visually captivating atmosphere.

A notable highlight of the Math Month was the active involvement of Grade 11 math students in organizing and executing various events. Their dedication and creativity shone through in activities such as spot quizzes, Rubik's Cube walkathons, and the ever-popular "Guess the Price" competition. The enthusiasm displayed by the students reflected the success of these initiatives.

Every Thursday, students were treated to intellectually stimulating activities. Chris, Jermiah, and Team took charge of the Ken Ken puzzle-solving session, challenging the minds of participants. Meanwhile, Hayah, Najah, and their team orchestrated an exciting Treasure Hunt, adding an adventurous twist to the mathematical journey. The Math Mayhem quiz, conducted by John Abraham, Adhithyan, and the Grade 11 team,

As the month drew to a close, the closing ceremony was a culmination of all the mathematical marvels witnessed throughout October. The most memorable moment undoubtedly belonged to the creation of a human chessboard. Sreenidhi and Niveditha, the masterminds behind this creative endeavor, orchestrated a visually captivating spectacle that left a

lasting impression on everyone present.

This grand finale not only provided entertainment but also served as an educational experience, offering students a unique perspective on the strategic intricacies of chess. The human chessboard became a symbolic representation of the interconnectedness of mathematical concepts and strategic thinking. In retrospect, Math Month was a resounding success, fostering a love for mathematics through a blend of creativity, competition, and camaraderie. The dedication of all students and teachers was commendable, showcasing the collaborative spirit within our mathematical community.

## Interschool Poem Recitation and Elocution Competition 2023

Zanha Sherin Rashid was able to walk away with the First Position in Elocution for the Super Senior Category. Aaliya Burhan secured the Second Position in Poem Recitation for the Super Senior Category. And Mishika Jayesh Kumar won the First Position in Poem Recitation for the Junior Category. These incredible achievements would not have been possible without the immense amount of guidance and support from the English department of AJI.

## Interschool Poster Making competition

Congratulations to Aaleyah Batool Shabudeen of Grade 6 for securing the third position in the "Inter-School Poster Making Competition" held on October 27, 2023.

This competition was organized by the Consulate General of India, Dubai, in collaboration with the Indian High School, Dubai, to commemorate the birth anniversary of Sardar Vallabhbhai Patel, celebrated as National Unity Day.

Aaleyah's creative talent and dedication shine brightly, and we are incredibly proud of her achievements. Our heartfelt thanks go to our Art teacher Mr. Murukanatham for his invaluable guidance and support.

## World Scholar's Cup Al Ain Round

We are delighted to present the highlights of the World Scholar's Cup Al Ain Round, which unfolded at Al Ain Juniors School on October 21st and 22nd, 2023.

This prestigious international competition, themed "Reconstructing the Past" featuring the endearing alpaca as its mascot, gathered promising young minds from diverse schools to partake in a rich tapestry of academic challenges. The World Scholar's Cup is renowned for its distinctive format, encompassing four engaging events that assess students' collaborative skills and knowledge across a spectrum of academic disciplines. Day 1 featured Collaborative Writing, the Scholar's Challenge (Multiple Choice Test), and Team Debate, setting the stage for intellectual encounters. Day 2 brought captivating highlights, including a debate showcase by selected scholars, a talent exhibition celebrating diverse talents, and the exhilarating Scholar's Bowl – a live quiz show that had everyone on the edge of their seats!

The inauguration ceremony was graced by distinguished guests, including Arshad Sherief, Chairman of AJ Group, and other esteemed leaders from renowned educational institutions. A total of 228 scholars from nine different schools participated with great enthusiasm. Safa Community School Dubai emerged as the Champion in both the senior and junior divisions, securing the third position in the junior division. Al Ain Juniors School showcased its academic prowess, securing the second and third positions in the senior division, while the British International School earned distinction by securing the second position in the junior division.

But the excitement doesn't end here! We are thrilled to announce that 20 teams from various schools, along with a select group of scholars, have qualified for the global round!

Congratulations to all the winners and participants for their dedication and achievements! We look forward to seeing you at the Global Rounds.
