INDIAN SYSTEM

A Glance at Learnings' for the 2nd Term

"Children are like buds in a garden; they should be carefully nurtured, as they are the future of the nation "

ALL ABOUT US

Established in 1989, Al Ain Juniors School has become a leading educational choice in Al Ain. We are recognized by the Ministry of Education of the United Arab Emirates and offer a unique blend of curriculums:

Central Board of Secondary Education, New Delhi, India (Affiliation No. 6630040)

University of Cambridge International Examinations, U.K. (Accreditation No. AE187)

We go beyond academics, fostering self-discipline, motivation, and a love for learning. Our clear structure empowers students to explore their full potential in core subjects, sports, arts, and extracurricular activities. We set high expectations and partner with parents to track progress and celebrate achievements.

Our stimulating curriculum offers a rich tapestry of learning experiences. This includes:

- Educational tours and field trips
- Engaging presentations by experts and philanthropists
- A diverse range of subjects to spark curiosity

Our dedicated faculty and staff continuously hone their expertise to unlock every student's potential. We believe in: spiritual, cultural, and moral development, self-respect and respect for others, and learning that extends beyond the classroom

Alongside academics, we offer a vibrant range of extracurricular activities to nurture well-rounded individuals.

We invite you to explore how our nurturing environment can help your child thrive.

VISION

At Al Ain Juniors we aim to nurture our young people to be achievers of extraordinary determination, who set the right goals in areas of education, morality, attitude, ethics, and values.

We seek to provide a comprehensive educational program of study for students of all abilities and backgrounds. At each stage of their development and in each pathway of study, students are being shaped into critical thinkers, effective communicators, good citizens, and lifelong learners. As such they are each encouraged to articulate and pursue a personal and professional vision for their own future. AJ's educational community is committed to helping its students realize this vision.

MISSION

- To focus on establishing high educational standards.
- To enable our students to reach their dreams, identifying their skill and challenges.
- To foster a lifelong love for learning and create a learning atmosphere.
- To build and sustain self-confidence, humility, and love for self and others.
- To be the premiere education establishment by building a strong faculty and in-school community.
- To create and develop an innovative, creative and highly stimulates school atmosphere.
- To reward our team for the commitment and quality performance.

VALUES

To achieve our vision and mission, Al Ain Juniors will work consistently with these values:

Honesty, integrity, ethics and individual respect in all aspects of the school

Excellence in offering education
Teamwork

Individual accountability, opportunity, and reward based on performance

Continual improvement in all that the school does – in ideas, in quality of education, in personal satisfaction

Stewardship – demonstrated through responsible management of all areas of work entrusted to its care.

A MESSAGE FROM THE SUPERVISOR

Dear Parents and Students,

We at Al Ain Juniors kindergarten are thrilled to reflect on a fantastic Term Two! Students across all grades participated in a wealth of curricular and extracurricular activities, showcasing incredible engagement, creativity, and resilience.

A heartfelt thank you goes to everyone in our school community – students, parents, families, and staff members. Your ongoing support for our leadership and teaching teams is truly valuable. The energy for learning and care for one another is truly inspiring, and we see genuine school pride flourish in various ways.

Term Three will see our dedicated staff delve into analyzing data and planning improvements tailored to each student's needs. We highly encourage all parents and families to remain active partners in your child's education. After all, as the saying goes, "It takes a village to raise a child." Together, we can continue achieving remarkable things at this exceptional school!

Warm Regards,
Wafa'a Khaleel.
Head of Kindergarten

Learning

IS FUN

OUR kindergarten learning is all about sparking a love of learning that will stay with children for years to come. It's a time for exploration, discovery, and building a strong foundation for academic success and social well-being.

OCTOBER
BREAST
CANCER
AWARENESS MONTH

October is Breast Cancer Awareness Month, a time to raise awareness and empower women (and men!) to take charge of their health. Breast cancer is the most common among women globally, but early detection is key to successful treatment. Breast cancer is treatable, especially when caught early. By taking charge of your health and getting regular screenings, you can significantly increase your chances of a successful outcome.

We celebrated PINK DAY in a grand style!

العلم HAPPY FLAG DAY

The United Arab Emirates (UAE) proudly displays its national colors every year on **November 3rd** in celebration of **Flag Day**. Schools, public parastatals, private businesses, and even residences proudly raise the UAE flag.

We at Al ain Juniors schools were not left behind on this special occasion. We organised special activities to educate our students about the significance of the flag and its symbolism. This fosters a sense of national identity and belonging among the younger generation.

UAE NATIONAL DAY

While the entire UAE celebrates National Day on December 2nd, Al Ain Juniors Kindergarten held a special celebration with our parents on November 29th, 2023!

We kicked off the festivities with a day filled with exciting activities that embraced the spirit of the UAE. Children and parents twin together and participated in various events, showcasing their creativity and love for their country. The atmosphere buzzed with excitement as we cheered for the participants, and of course, awarded prizes to the winners!

This early celebration allowed us to share the joy of National Day with our families and create lasting memories for our young learners.

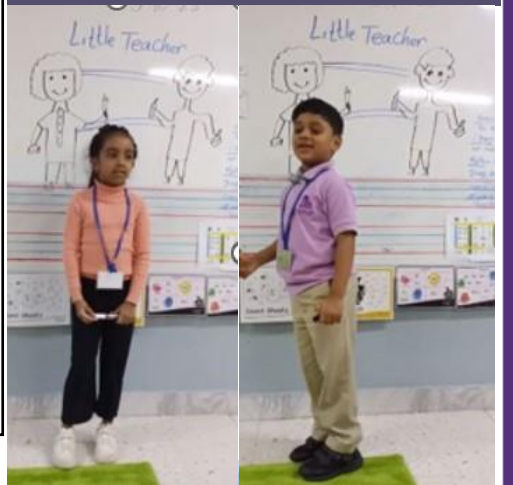

HAPPY TEACHER'S DAY

Our school turned the tables on Teachers' Day! We celebrated and appreciated our teachers on Sept 5th 2023 in a side-splitting celebration. These students became the little teachers, dressing up and mimicking their teachers with hilarious accuracy. Imagine tiny professors lecturing on math, literacy and so on. It was a day of laughter, learning, and a sprinkle of unexpected delights.

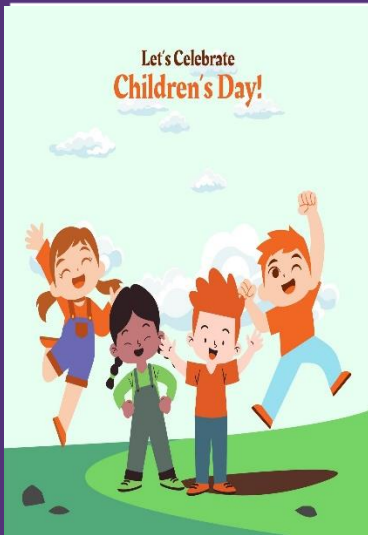

On September 29th, 2023, our KG came alive with the spirit of Mawlid Al Nabi, the birthday of Prophet Muhammad (PBUH). We celebrated this special occasion with a vibrant range of indoor and outdoor activities designed to enrich our students' understanding and appreciation of their religion.

These engaging activities fostered a deeper connection with Islamic traditions and values, providing students with a rich background on the life and teachings of Prophet Muhammad (PBUH).

We celebrated Children's Day on **November 14th**, the birthday of Jawaharlal Nehru, India's first Prime Minister, who was known for his fondness for children.

SPORTS DAY

On a bright December 6th 2023, Green Mubazzara Park came alive with the cheers and energy of Al Ain Juniors Kindergarten's "Tiny Triumph: AKJG Sports Fest!" Students, decked out in their vibrant house colors, participated in a dazzling display of team spirit. The day kicked off with a lively parade, followed by a showcase of synchronized drills. The real test of skill came with a variety of engaging sports games, fostering teamwork and friendly competition.

Surrounded by the beauty of nature, the day provided a fantastic opportunity for our young athletes to shine. It was a day filled with laughter, teamwork, and the joy of healthy competition, making it an unforgettable experience for our students.

DRAMA DAY

There's a special buzz in the air every Friday in our kindergarten - it's Drama Day! This weekly tradition is more than just entertainment; it's a chance for our students to shine and learn valuable skills.

On Fridays, the school auditorium transforms into a stage. The performing students shed their everyday uniform and embrace the characters they'll portray. Their artistic spirit flourishes as they dress up, embody their roles, and captivate us with their performances.

Drama Day is about so much more than just putting on a play. It's a platform for our students to develop their confidence and overcome stage fright. As they confidently deliver their lines, their speaking skills blossom. Whether they're bellowing like a mighty lion or whispering secrets like a fairy, each performance is a testament to their growth.

Every week brings a renewed sense of excitement as our young actors prepare to take center stage. It's a day filled with laughter, creativity, and a sense of accomplishment. Here at Al Ain Juniors Kindergarten, Drama Day isn't just on the calendar - it's woven into the fabric of our learning experience.
