

2016

Welcome to Grade 1

Welcome back to school after summer holidays. Really it was great to see young ones of Grade 1 in new well decorated classrooms with zeal and enthusiasm for the new grade.

Join the dots and color:

Wednesday is when the kids usually engage themselves in creating Art work that enhance their skills not only in drawing but also in coloring, lettering and writing.

Orientation Program:

Parents were invited to meet with the teachers of their wards; making them acquainted with each other.

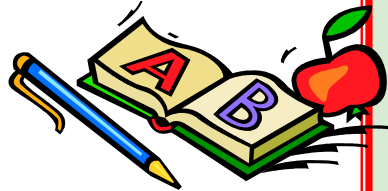

Topics for October month:

Science: Natural beauty of Plants

English: Vowels and Consonants

Maths: Numbers

Social: World and its continents

Upcoming Events

1. Teacher's day card making
2. Clay modeling competition
3. World food day – Fruit salad making.

I am grateful to have such a wonderful class. I am looking forward to lots of fun and learning in the month of October.

WELCOME TO GRADE 2

Bulletin for Sep 2016

WOW week:

The first week of school can be challenging. As thoughts turn back from holidays to school, it is difficult to keep the students' minds on school work. We had our unique ways to keep them engaged. We wanted to leave the students with positive thoughts of what they did and wanting to be back the very next day. So, we had our WOW (week of welcome) week where all our little ones had fun coloring and solving puzzles.

Eid Holidays:

Eid al-Fitr is sometimes also known as the "Smaller Eid" as compared to the Eid al-Adha that lasts three days following the Hajj (the pilgrimage to Mecca) and is casually referred to as the "Greater Eid". We all celebrated Eid and had holidays

Welcome to Grade 2

I am so excited that you will be in my class this year.

I know you are going to love Grade 2. We will be busy as bees

Upcoming Events

- Oct 5th 2016: Teachers day card making.
- Oct 19th 2016: Clay modeling competition.
- Oct 26th 2016: World food day- Fruit salad making.

Welcome to Grade 3

I take this opportunity to welcome my students and parents to a new academic year. I'd like to extend my thanks for your help and support during this month. I am grateful to have such a wonderful class. I am looking forward to lots of fun & learning with you.

Upcoming events

1. Formal Assessment
2. Greeting card making
3. Colouring competition
4. Block building activity
5. World food day – Fruit salad making

Topics for October month

Literacy /Grammar:

Punctuation- capital letter / comma / question mark / full stop/ exclamation mark to enhance our reading and writing skills.

Numeracy :

Place Value, Partitioning of 2/3 digit numbers.

In Science:

Food groups and the food pyramid

S. Studies:

Landsforms

Highlights:

Parent's orientation was held on 08-9-16 to update the parents on important academic and non academic matters and to help them understand the teaching learning process. It also helped to listen to parents and exchange ideas and strengthen the bond between the school and the parent body.
