GANDHI JAYANTHI CELEBRATION

India celebrates the birth of its iconic leader Mohandas Karamchand Gandhi. He has been given the title of 'Father of the Nation' for his relentless hard work that helped India attain freedom. By remembering him on this day, celebrated as [Gandhi Jayanti](#), we pay tribute to this great leader and on this occasion we had organized a special assembly for children.

Through a presentation the autobiography of Mahathma Gandhi was shown to children. We ended the celebration with the National Anthem and the Pledge to adopt his way of life and principles of empathy, humbleness, honesty and sincerity.

Colors Day

Learning objective:

- To encourage the students to come in assigned color costume.

Learning skills:

- Through the assembly program student will be able to recognize the primary and secondary colours .

Learning outcome:

- Awareness of certain objects are real or pretend.

Learning Objectives : To enhance the knowledge about a community helper “The Fire Fighter”.

Learning Skills: Exposure to Fire Fighters in fire suits, safety equipment’s, tools, helmet, mask, gloves, and safety rules.

Learning Outcomes: Life saving techniques can be practiced , planned and prepared on safe side.

Field trip to Fire Station

Eat Right Get Active

SLOGAN: Live Green Save GREEN

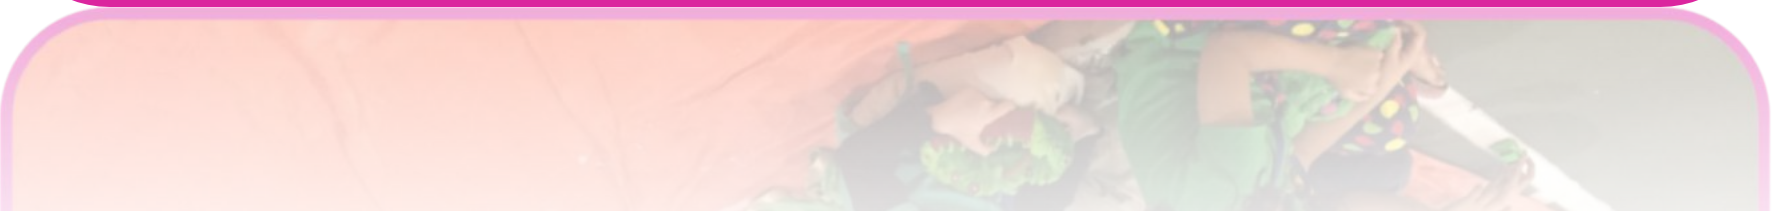

Green Day

Learning objective:

- To involve students in the colorful activity which infused in them vigor, vitality and freshness.
- To develop a holistic personality within the student.
- To encourage parents to make the student eat healthy food.

Learning skills:

- Accountability for their learning of the green food stuff.
- Students learn to evaluate their own progress.
- Students gain greater **commitment** to school work and learning.
- Builds up the knowledge of being healthy.
- Encourages student to strive for healthy eating.

Al Ain Juniors School
Kindergarten
Sports week 2018

Al Ain Junior Kindergarten conducted Sports Week from 21st-24th of November and on the 25th it was the day of recognizing and giving of medals and certificates to the winners. The games were **“Feed the Dolphin”, “Hurdles”, “Squeeze and fill” and “Balanced walk”**. It was a fun week, after seeing all the smiles from elimination day which was done before the event, up to the day wherein the chosen children were about to compete, you can see bliss in their eyes, chuckles and shouts cheering sounds in the ground field makes that day wonderful and special. As with Kindergarten the emphasis is on fun and everyone taking part. It's not about winning at this stage but more about boosting self-esteem. It showcased talents so that others will be inspired. Sportsfest encourages healthy competition among children and teaches them to shine under pressure and to cope with nerves or performance anxiety at the very young age which is essential in learning not only inside the room.

PARENTS AS PARTNERS READ ALOUD

Strategy: Collaboration to Learn

Read aloud session is a parent volunteering program to read a book or have an engaging activity with the students in English /Arabic.

Learning Objective : To help the student grow through Innovative way of learning with accustomed to a community environment with the same attitude and value to education.

**THANK
YOU!**
