

Cir1/ AJI/VP/Sept 2018

3rd September, 2018

Welcome Back!

Dear Valued Parents & Students,

We are pleased to welcome you all back after a long and refreshing Summer Break.

This Term, the Heads of Departments and Subject Coordinators will continue to take action to help strategically plan and implement towards ensuring an educationally sound and **innovative future** for our students. We, at AJI are committed to support our students to achieve academic, sporting, cultural and life-long learning. However, even more importantly, the students themselves will have to take action to further their education. Al Ain Juniors believes our young learners cannot merely sit back and expect the greater School community to do everything for them - they are realizing the importance of self-motivation and are prepared to **HELP** themselves.

We encourage our youngsters, "**Help yourselves! Make the most of the fantastic educational opportunities that you have**". Each learner at AJI, in their own way, will need to help. You will need to help your family, the environment, solve problems through **innovation and invention** and make sense of the world when sense and reason go missing. The school and community of parents, we know that it is hard to bring back the mood of the students from their irregular schedule; waking up late, surfing on the internet, playing, swimming, e- chatting etc. into a regular and structured activities of student life. This aspect needs the attention of all parents and teachers to attract the thought process of the students in enhancing their skills and motivating them to achieve better learning experience. One must understand that we are not in the beginning of a new term but towards the end of Semester I. This requires the cooperation and support of parents to engage the students in fruitful activities at home to promote learning. Every parent is requested to oversee that every child engages in reading, writing, completing assignments and projects and submitting on time for moderation. As the summative assessment is soon approaching, I request all parents to encourage their wards to keep up with their studies. All children are angels with their own individual talents, therefore we must remember that the target is not to get an "A1" or "A2" grade, the target is to get a respectable grade. Wish each one of you the very best!

Reminders:

- **Mobile Phones and Other Gadgets:** The school does not allow students to bring their mobile phones or any other gadgets in school. Please make sure your children abide by this school policy. Any student found with their gadgets will be confiscated and will only be released once parents come to school to claim them.
- **Uniform:** All students must come in neat and in-complete uniform including their student I.D. The school policy requires ALL students to use their I.D.'s at all times while they are in the school premises.
- **Books:** Students shall only bring their books according to their time table. Do not let your children carry books that will not be used during the day.

Meeting School Personnel Please do not hesitate to make an appointment with the Vice Principal/ Subject Coordinator/ HODs if you have any concern about your child's education. Prior Appointments can be made via front office.

Name	Position	Availability Days	Time	Email Address
