SLUMBER PARTY

To encourage and inculcate bedtime story reading habit, a Frolic and fun-filled slumber party was conducted at our school for the students of Grades 1 and 2 under the able guidance and supervision of Vice Principal Mrs. Humera Sharief. By experiencing the concept of "Slumber Party", children were introduced to an activity that was enjoyable for them. Young children experienced bedtime fun in the classroom. Teachers provided a cozy atmosphere that included soft toys, sleeping bags and blankets.

On the day of the slumber party, the classrooms were fully equipped with several different story books like 'Snow White And Seven Dwarfs', 'Alladin', 'Peter Pan', 'Little Red Riding Hood', 'Cindrella', 'Alice in Wonderland' and 'Rapunzel.' The rest area was large enough for all of the children to spread out their sleeping bags, blankets, and pillows. There were some children dressed up in the character of the story. After settling in on their sleeping bags, children rested on their pillows and listened to the teacher reading bedtime stories. There was a 'free space zone' where children danced and played in their jammies!. Our beloved Managing Director Mrs. Tanveer Arshad spent her precious time reading stories to the children. She took promise from the children for creating their own library in their home. Mr. Gaffar(Acting Principal) & Ms. Amel (Student Affairs Coordinator) also visited the classrooms to motivate the children. The ambience of the classrooms was very lively. Children were fascinated towards a clown and a fairy who visited their class and read stories to them and the day became even more memorable to them. Some guest readers (Parents) were also involved in reading books to the children. The whole show was live on facebook.

CULTURAL FOOD FEST

Though the world is changing in terms of trends, technology and modern discoveries, we are all strongly rooted to our tradition. Tradition includes beliefs and customs which we strongly adhere to or respect. As we at, AJI have students from different regions and religions, 'A 'Traditional and Cultural Food Fest' was initiated and organized by the Head of Social Science Dept and Ms. Sunita Chandani (Homeroom teacher of Gr 3C (AJI) with the guidance and support of Vice Principal Mrs. Humera Sharief on 27th September 2018 for the students of Gr 3 as a part of learning. It was celebrated with great pomp and show. The students came fully clad in their traditional dress. Their attire looked simply amazing as they collectively displayed an array of colours that reflected the diversity of India. The atmosphere was filled with fun and frolic. It was a moment of great 'joy and pride' as we all stood united to celebrate spirit of religious harmony. Later, children shared special food items of their states with each other to show love and mutual respect. This was just one of the many ways the school marked the day, which aims to promote 'Unity in Diversity'.

Reading with your child at home

Evidence shows that children who read out loud daily at home for 15 minutes make huge improvements in their reading ability. Reading is already a major part of daily activities in school but children who receive extra individual attention at home do make much more progress. With your help your child can make significant progress and we appreciate your support as we work together to give your child the best of opportunities.

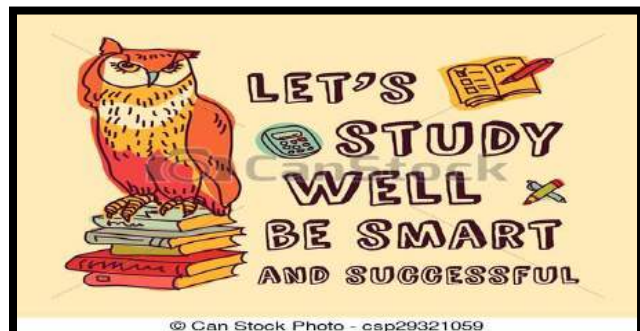

If you read just **one** book a day to your child, they will have been read **1825** books by their 5th birthday.
