Dear Valued Parents,

The long awaited summer holidays are again ready to welcome you with their warm showers! Life needs to be balanced between fun and work. Summer holidays give a chance to students to relax. During holidays, leisure replaces work as a priority. You are filled with the enthusiasm to explore, travel and learn. Besides relaxing, the students should keep in mind the execution of the assigned work in a well-planned manner. Hence, request you to motivate your wards to interact with knowledgeable books that would in turn lead their minds to grow exclusively and in an effective manner.

HOLIDAY ASSIGNMENTS:

While the summer months are a welcome opportunity for fun and relaxation, the break from school activities often causes students to experience a lag in learning upon returning to school after a long summer break. Holiday assignments in the form of integrated projects to be done independently will be sent through email to all parents/students of Kindergarten and Grade 1 to 12.

These assignments will also be available on the school website www.alainjuniors.com. These tasks are assigned so that vacation can be a mixed experience with fun of investigating, exploring, researching and studies. We request the parents to supervise and motivate the children to complete the assigned tasks. Upon return to school, students are expected to submit the assignments to concerned teachers as per the specified dates.

- **Collection of Miscellaneous certificates and other documents**: In view of summer vacation approaching fast, we request the parents to collect the following documents before school closes for summer vacation.
  1. Bonafide Certificates for the purpose of passport/visa renewal
  2. T.C. if the student has to leave the country during the summer vacation
  3. Payment Invoice in case of tuition fee reimbursement from the companies
- **Pending Certificates from CBSE:** Course completion certificate for Grade 12
