Subject: Charity Drive

“Wealth will not be decreased by giving charity. And a forgiving slave must be rewarded by Allah with authority.”

Dear Parents,

Greetings!

Al Ain Juniors School believes that charity enriches the community and is rewarding in so many ways. We are much convinced that the act of giving, teaches the children not just to be generous but to be more appreciative of what they have. In this Holy Month of Ramadan, we would like to instill the values of giving among the students. In this regard, we would like to provide an opportunity for the students to contribute by donating food stuff to the needy. We kindly request the parents to send any of the below mentioned foodstuff and hand them over to the class teachers.

Please send your donations on or before 30th May 2019. We appreciate and thank you in advanced for your generous gesture and continued support to all programmes organized by the school.

- Sugar (1kg packet)
- Rice (2kg packet)
- Canned Food Items
- Oil (1Liter Bottle)
- Lentils (1kg packet)
- Macaroni (1kg packet)
