

Science Month @ A J

Al Ain Juniors Indian system Primary (4-6) observed February as Science Month. Various vibrant activities were planned to enhance and equip children with a bunch of hands on activities. Love and live in science were portrayed in every aspect of

Science activities. Let us go deeply into the meaning of Science. It is a systematic enterprise that builds and organizes knowledge in the form of testable explanations and predictions about the

universe. The earliest roots of science can be traced to Ancient Egypt and Mesopotamia in around 3500 to 3000 BCE.

Innovation @ Al Ain Juniors Indian System Primary (4-6)

Innovation is the action or process of innovating a "new idea, creative thoughts, new imaginations in form of device or method". There are several steps and initiatives undertaken to encour-

age innovation in the UAE. Al Ain Juniors Indian System Primary (4-6) has taken initiatives to bring out the hidden talents of young innovates.

Innovation is change that unlocks new value.

(Elite Karate Centre)

BLISS OF LIFE
Yoga
(Gents & Ladies)

AL AIN JUNIORS SCHOOL
2019

The key objective of science exhibition was to bring out the hidden talents of the students. The main focus was on creating more awareness of science, technology and engineering. The Science exhibition was organized during the Innovation week of Al Ain Zone on 7-2-2019. It provided a platform for children to display their knowledge, creativity, investigative skills and talents. It was fun and motivated the children.

INNOVATION ZONES

THEME BASED ROOMS

Grade - 4

Theme -Fit Body Boot Camp
