## MESSAGE FROM VICE PRINCIPAL

As the head of AJI. It is my privilege to lead a school that defines excellence & ensures that every child has a meaningful education in a stimulating & safe environment

We at AJ realise that every student is unique, & it is our endeavor to discover the genius in each of the learners- we have the privilege to teach, tapping their individual talents & supporting them to be the best they can be.

I believe an enriched curriculum makes all the difference. With the CBSE framework as the foundation for all we do, our team of teachers will transform and infuse it with innovation & curiosity which will help them to face the challenges the world has to offer.

As we plan & execute the educational journey of our students, we will not be able to achieve it without you - our parents who are an integral part of our school & our valuable stakeholders in our collective success. We see you as our most constructive reviewers. In turn, my colleagues & I are always on Hand should you require assistance at any time.

Our AJ educational core values help us to achieve excellence in all aspects & we are immensely grateful for the encouragement & support we receive from our parent body and wider management team.

Together we will positively influence your child's learning experience----  
Future is here.

# IT Marathon

The objective of IT Marathon is to create an atmosphere of IT awareness among UAE school students to further trigger interests in this paramount discipline. The competition stimulates and challenges young minds to develop their general IT skills in prominent and most appealing areas, including solving simple programming problems, creating illustrative graphics, interactive web applications, and general computer knowl-

edge. Three prizes (first, second, and third place) will be awarded .

A group of three students has participated in the IT Contest .

*“The 1<sup>st</sup> workshop was about Gamification.*

*Gamification is the technique where the producers use existing trends to sell their products. Then they also talked about why its needed, where it is used and examples of it in various fields.”*

*~Azan, Student*

The first workshop was about gamification where the resource person explained how gamification helps the companies or organization around the world to actively engage and attract the customers. She explained the difference between gaming and gamification, different criteria used in gamification. Also she explained about some examples like how KFC, Amazon, etc attract the customers with the help of gamification.

The 2nd workshop was about Internet of Things (IoT), where the resource person explained about how society has benefited from the world of internet. The workshop included:

1. Different devices and services related to internet of things that help and benefit the society.
2. Popular IT applications available in the market the benefit the society.
3. Different job opportunities available and will be produced within 50 years connected to Internet of things.
4. Different devices, components and kits which can be used in education system to mold the students to build applications.

# AJI Student Council 2019-20

“Leaders are not born but are made by their experiences in life.”

*“Leaders are not born but are made by their experiences in life.”*

The Investiture Ceremony for the academic year 2019-20 was held on the 5th of May 2019. Mr. Arshad Sharif Chairman of Alain Juniors School, was the chief guest of this prestigious ceremony. The ceremony began with the recitation of the holy Quran followed by its translation.

The march past by all the student council members was a spectacular event which set the mood for the event. Mrs. Humera Sharief, Vice principal welcomed the gathering and motivated all the leaders with her welcome speech. During the most awaited badge ceremony the newly elected members of the student council body were vested with their badges of honour. Each leader stood tall and proud prepared to shoulder the responsibilities with vigour, zest and new found passion. In his address, the Chief Guest Mr. Arshad Sharif congratulated the newly appointed student council for their preparedness to take up the responsibilities. He asked them to use the opportunities and balance them well with academics to excel in both. He wished well to all the members of the student council body and spoke about the importance of inculcating discipline among the students.

The newly elect head boy and head girl shared their experiences and expressed their gratitude to the teachers and management in their speech. They promised to work for the student body on

behalf of the student council. Mr. Arshad Sharif, chairman of Aj Group of Schools administered the oath, where the leaders promised to uphold and follow the principles of the school. During the vote of thanks Mr. Ummer Farooq, acknowledged the entire support system for making this event possible and a grand success. The group photo session saw the mischievous side of these kids with some lighter moments that etched ever lasting memories. All in all the event was a grand success with the proud parents and the beaming members of the Al Ain Juniors Student Council 2019-2020 highly appreciative of the day's proceedings and carrying home sweet memories.

# Celebrating Success

Love what you do. Live for what you do. Pour your heart, soul and all you've got into it. But for goodness sake, celebrate yourself when it's merited and deserved. - christopher D. Connors

12th May, 2019 was a day for the most deserving. Al Ain Juniors celebrated the success of its students. The year 2018-19 had been an eventful year for both staff and students. The Grade 10 and 12 CBSE exam results that were announced in the beginning of this month showed the academic excellence students of AJ could achieve. However this day proclaimed AJ could also produce student of excellence not only in academics but also in non-academics. Three of its students won the most prestigious award for academic and non-academic excellence— The Hamdan award. It became double sweet when AJ became the only Asian school this year to win The Hamdan Award in the Al Ain Region.

Apart from the above mentioned award, this year Liam Charles of Grade 12, a brilliant mind when it comes to technology and Programming won the second prize in the Program your Idea, competition organized by ADEC. Students of Al Ain Junior have won number of other prizes in events such as national level Hindi Utsav, SOF, Kunooz, Shakespearean challenge, FBMA, Spell Bee and many more.

**Congratulations !!!**

## RAIN

IT COMES AND GOES  
AND GLISTENS ON THE ROADS.

IN THIS BARREN REGION  
THERE'S BOUND TO BE REASON  
FOR THE DROPLETS TO FALL  
FROM THE SKY AT ALL

AND I STAMP MY FEET IN A PUDDLE  
AND I HEAR A SPLASH  
THIS WATER FALLEN FROM ABOVE  
IS MORE VALUABLE THAN PEARLS

CHILDREN PLAY  
ANIMALS REJOICE  
AND FIND REASON TO THANK GOD

AND WHEN IT COMES  
IT SADLY HAS TO GO  
BUT WE REMEMBER ITS ROYALTY  
WITH THE SPARKLE ON THE ROADS.
