JR.KG Monday Assembly

Every Monday of the week, our Junior kindergarten is having the Assembly. We are gathered in the school auditorium. This is where you will see us, showing what we have learned inside the classroom. It also help to developed our confidence. It is not easy to stand in front of the crowd and perform on stage. We are enjoying to do it. We feel proud of it!

JR. KG-A by Miss. Jeny Lopez performed about the “Winged creatures”

Come on, let us explore our Free Zone Area. . .

Our Free Zone Area is the place where our children can choose the activities that they want to. Engaging in different places with their best mate and play mates such as:

Students who want to explore the computer applications which is applicable to them like, drawing shapes , letters and numbers. Hold the mouse like a pro!

The I.T area

Ice Cream Parlour

No matter what , cold or hot! Let us have an ice cream in a cone or a cup.
Delicious flavours, the choice is yours!

Our Health Clinic

Our doctors and nurses were here to help. Do not be afraid, they will guard your health!

Supermarket (Vegetable and fruits section)

With the shopping basket and their friends the children will pick vegetable and fruits , with a cash register and a money to pay.

The Sand and Water Play

Sand and water play is also enjoyable for children. Imaginative play, at the beach, building castles, finding shells and use the tools to dig and play.

Plaground

Our Mini Library

Picture reading during library hours help us to bond. Sharing and listening to the stories we like. It is our moment to appreciate the books to sit and read quietly beside my friends.

Here and there we

Animal dioramas

Animals; wild and farm

Mini Saloon

What hair style you want?

How about our KG Classroom. . .

We have a role play area to explore . Things will be displayed according to the theme,

The buzzing bees

Classroom Activities

We paint, we cut, we draw and we write. These is our favourite thing! We all enjoyed in the class!

Parent as partners

Parent are most welcome to come to school to be as partner.

It can be story telling, art and craft, cooking and baking (no stove required) , assist the teacher in class, decorate the classroom anything that can be of help to the children .

Health for kids

Mr. Mark Bisda our school Nurse visited the classroom for KG to show the proper washing of hands.
