VIRTUAL CLASS ASSEMBLIES

Morning Assembly undoubtedly holds the numero uno position out of all the routine activities in a school. It aids community participation as well as hones the skills of children on account of healthy competitive spirit. It's the first platform provided to the young minds boosting their confidence towards public speaking and imbibing a feeling of team spirit in their nascent minds. Keeping up with the same, the students of Grade 6A and 6B presented their class assemblies on the topics 'Compassion' and 'World Environment Day'
