## Our First Grade Class News

January 2021 is another month full of challenges and surprises for English Department. The call for the students and teachers in learning virtually for four weeks already has made the mentors became more creative in the delivery of the lessons. The digital competence is required and mandatory for all. Students engaged in collaborative work and differentiated tasks assigned by their teachers in all aspects of learning skills. This month, students explore their learning in listening, spelling, reading comprehension/guided reading and grammar (pronouns & verbs).

# Spelling Bee Competition

On 14<sup>th</sup> January 2021, AJB primary has conducted the second round of the Spelling Bee Competition Round 2 via MS Teams using the Collaborative Board of the Nearpod Online Tool. This was participated by the qualified students in each section of the Grade 1 class. All contenders did their best. The **ROUND 2 Competition:** The teacher says the spelling words and participants write the word in the collaborative board. The participants are given 10 seconds to write the word. Then, after the word set completion, they are given another 10 seconds to submit their spelling words. Below are the students qualified for the Final Round of the Spelling Bee Competition.

- GRADE 1 SPELLING BEE COMPETITION**  
**RESULTS – ROUND 2**
- Grade 1A – Mohamad Ayman
  - Grade 1B – Wajan Abdelbari Mohamed
  - Grade 1C – Muhammad Ismail
  - Grade 1D – Aaleyah Salahuddin
  - Grade 1E – Avighna Hada

## GEOGRAPHY NEWSLETTER -Grades 1 ABCD

**Children became aware of the types of houses and buildings where people can stay and live.**

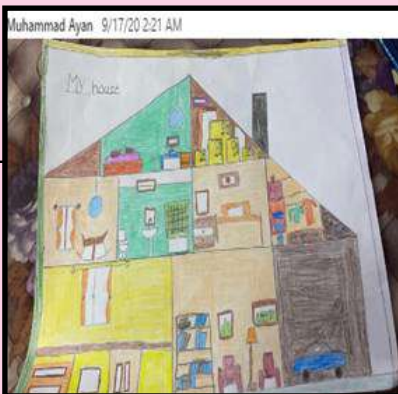

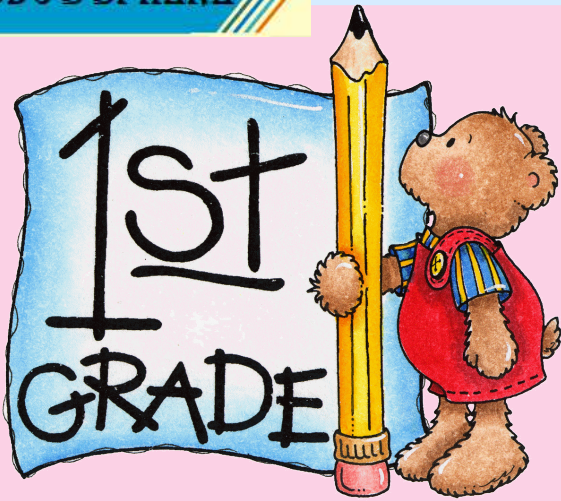

Children around the country have become reporters, photographers, editors, ... There's little chance you will forget the **home** quarantine of 2020. Everybody is at home and all of us doing the same thing because of this pandemic.

Good thing our lessons and topic in class is all about "Homes Around the World". All Grade 1 students learned a lot of things and able to recognize and identifies the different houses around the world. Even to the most significant and important matters about the lesson on how to build houses and the materials to use in building houses. They learned that a **house** is a building for people to live in. It is usually built for a family (parents and their children).

WE have very exciting class discussions in our classes and even the drawings they did about their dream house some-day!!!

**It's a fun learning day for all of us!!!**

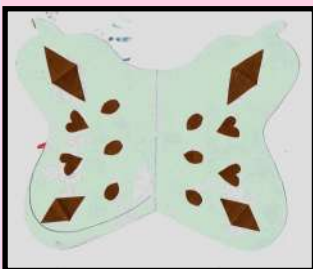

# January 2021 Highlights –Grade 1

## Measurement

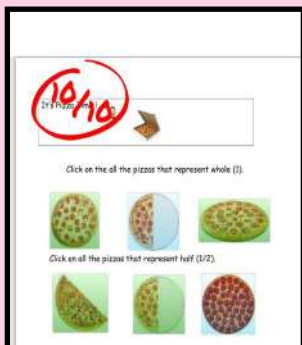

Measurement, determination of the magnitude of a quantity by comparison with a standard for that quantity. Quantities frequently measured include time, length, area, volume, pressure, mass, force, and energy. To express a measurement, there must be a basic unit of the quantity involved, e.g., the inch or second, and a standard of measurement (instrument) calibrated in such units, e.g., a ruler or clock.

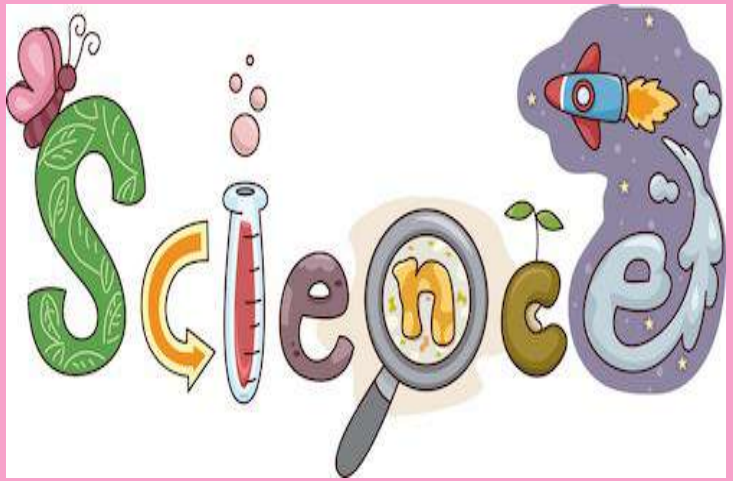

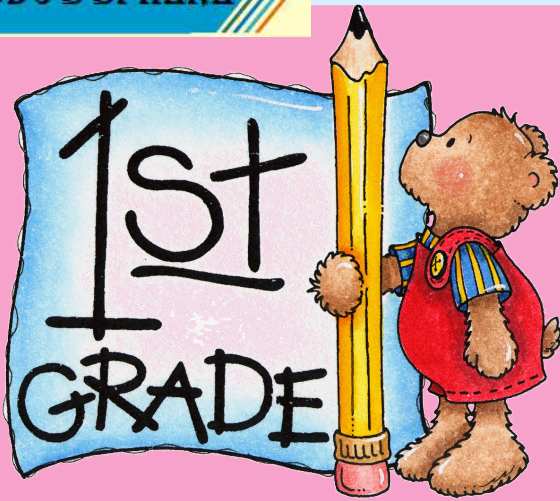

## Fraction

Teaching fractions is an essential part of math curriculum. Fractions represent equal parts of a whole or a collection.

Fraction of a whole: When we divide a whole into equal parts, each part is a fraction of the whole. The most common examples of fractions from real life are equal slices of pizza, fruit, cake, a bar of chocolate, etc. One of four equal parts into which something is divisible : a fourth part

I ❤️ math

# SCIENCE - NEWS LETTER - JANUARY 2021

## Science Month Activities

Grade 1 celebrated Science month . As part of the celebration, we had various activities like -

**Alien show** -Students dressed up like an Alien and described about the creature (where do they come from, what are their super power. This was an enjoyable exercise that included creative thinking, possibly some research on the part of participants, and the ability to organize their thoughts.

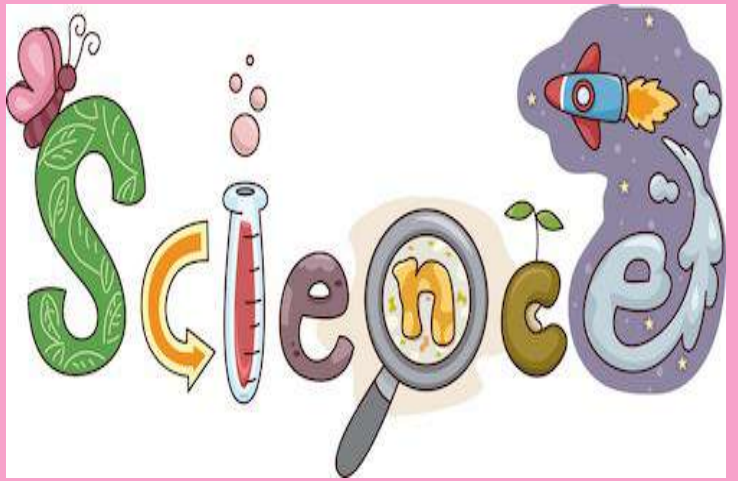

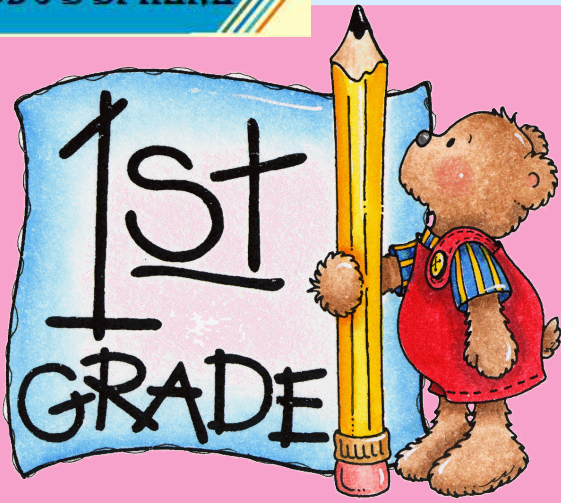

**Science quiz bee**- Quizzes make learning fun! Students participated actively in Quiz bee competition. The quiz consisted of easy, average, and advanced levels.

### Mask Making competition -

A mask making Competition was conducted for the students. The students made mask and spoke about the animal eating habits, habitat, colour etc. The objective of this activity was to give a boost to the children's creativity and thinking skills. Students came out with various ideas and made creative masks which were displayed in their respective classrooms. Students actively participated in this activity and made beautiful masks using their creativity.

## We're on the Track

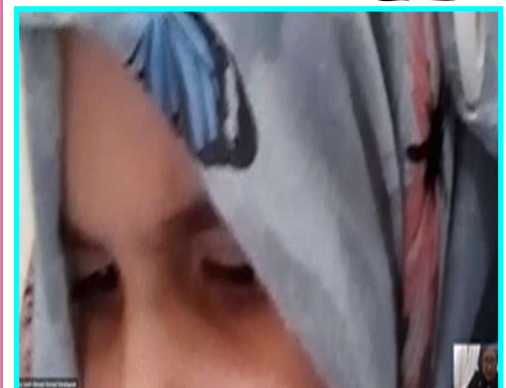

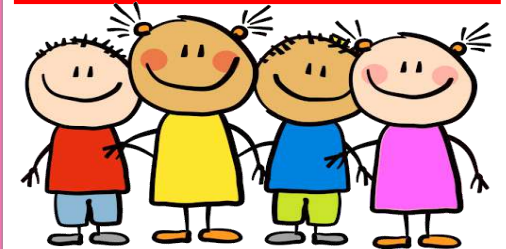

Grade 2 Newsletter, 2020-2021

### AJBP conducts Term 1 Virtual Open House

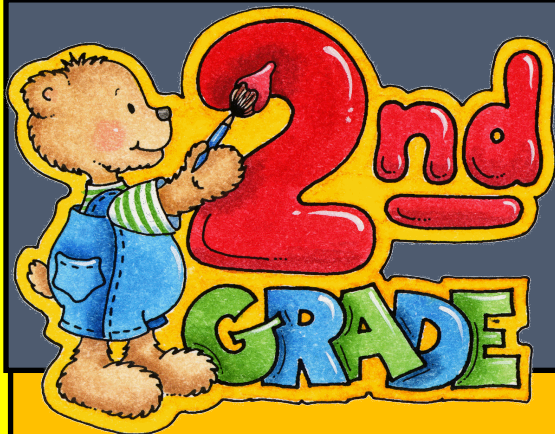

As we just began with the new term, the very first event was the open house. Term 1 results were shared with the parents virtually and the students on the 12,13,14th of January. The parents were allotted specific time schedule to meet the teachers. This was the first event in the New Year and by God's grace, was a grand success. Hip Hip Hurrah!

The view was so pleasant to see all different emotions on different faces. Some were very happy on their achievements whereas some trying to encourage their children to do better next term. We would like to pass our congratulations to all!!! We wish all the students a very bright future and success all ahead.

TO BE  
YOURSELF IN  
A WORLD  
THAT IS  
CONSTANTLY  
TRYING TO  
MAKE YOU  
SOMETHING ELSE  
IS THE  
GREATEST  
ACCOMPLISHMENT  
R.W.E.

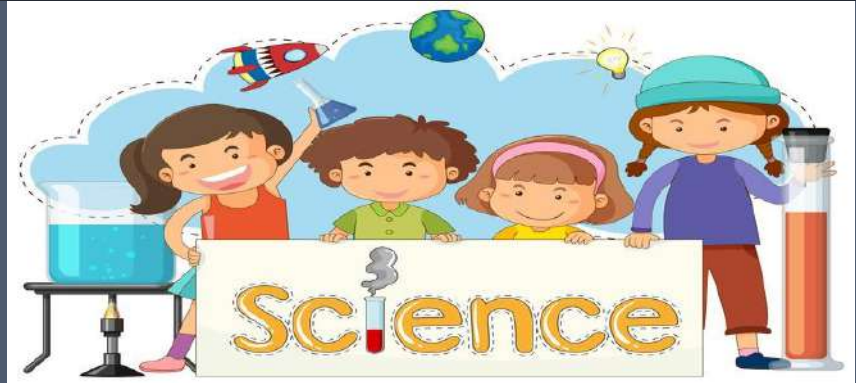

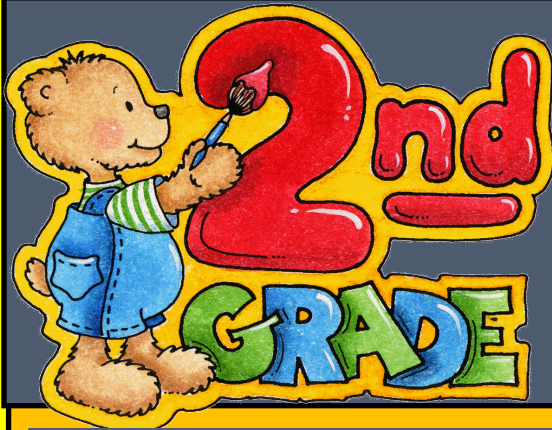

# Student Led Conference

The student Led Conference was held on the 12<sup>th</sup>, 13<sup>th</sup> and 14<sup>th</sup> of January. The students were responsible for leading the conference, and also took responsibility for their involvement in class by sharing the different activities, topics and key points of their learning with their parents. The parents, teachers and the students were a part of this virtual conference. Every class from 2 organized it in a successful manner. The conference involved the students discussing and reflecting upon their learning, achievements, sharing experiences and co-curricular activities.

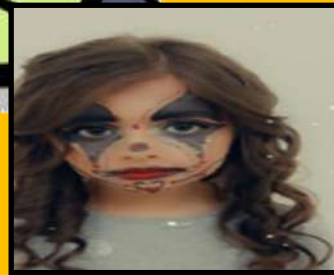

## What is a student led conference?

A student-led conference is a meeting with a student and his or her family and teachers during which the student shares his or her portfolio of work and discusses progress with family members. The student facilitates the meeting from start to finish.

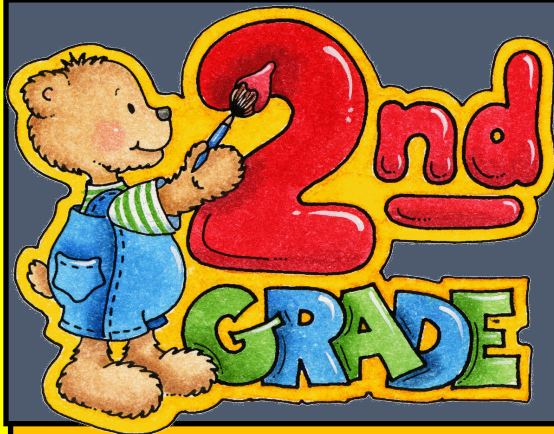

January is the month of Interactive Science Activities

Alien's Fashion Show  
Science Activity 7<sup>th</sup> January 2021

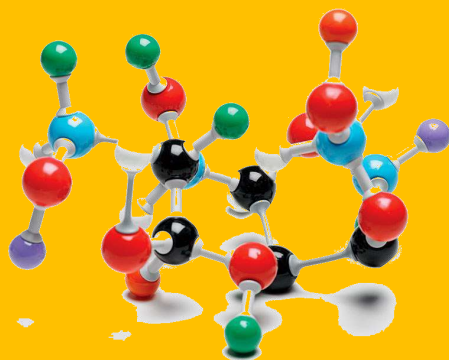

Alien's fashion show was celebrated on 7<sup>th</sup> January 2021 to showcase the talents of young artists.

# Science Quiz Bee

Grade 2 students were involved in Science Quiz bee competition. They test their knowledge of science facts and applications of scientific principles by taking our 30 questions quiz.

# Science Mask Day

## Mask Day

Since masks are becoming part of their day-to-day activities, and as part of the long Science month activities students of Al Ain Juniors School got involved with masks making of birds and insects last 14th of January 2021. This fun activity promotes their creativity and allows the kids to use their unique skills and ideas.

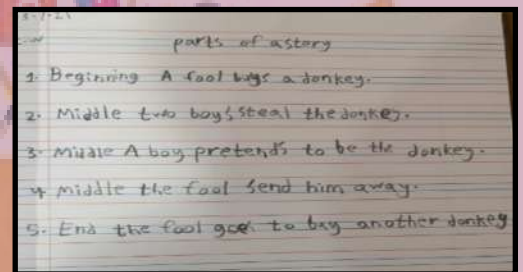

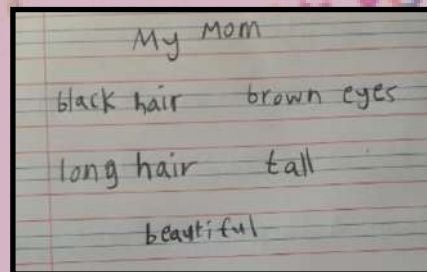

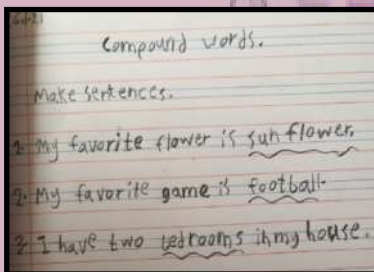

# Class Activities

## Fun –Filled Learning

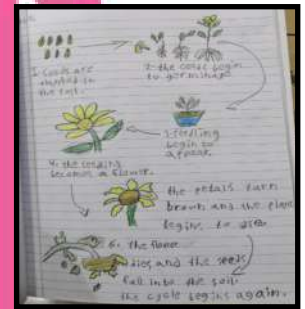

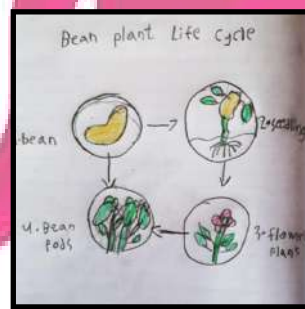

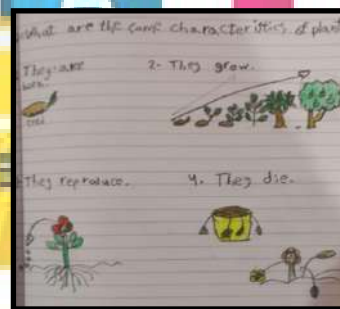

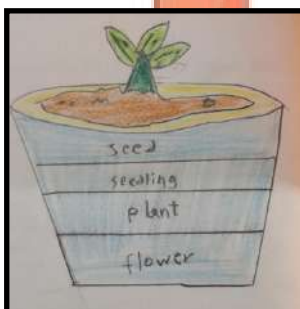

### English

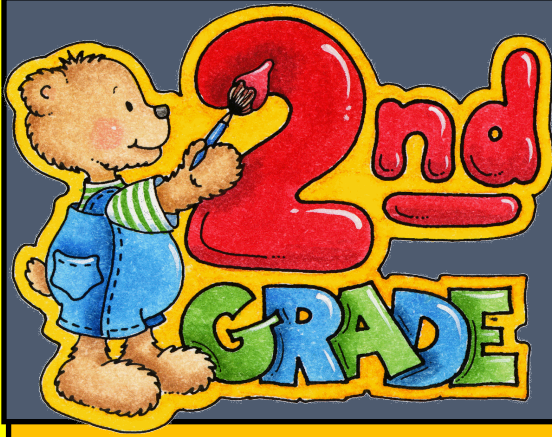

Indeed, learning to write may be a part of learning to read. For all, writing comes out of a superior devotion to reading. In *English*; we enjoyed reading and writing about Tales around the world. We came to know about the different parts of a story. Well, we understand the concept of Homophones and compound Words.

### Science

Grade2 students had fun studying about seeds and bulbs, lifecycle of different plants and they were involved in exploring different kinds of plants. They came to know needs of plants.

# Class Activities

## Fun –Filled Learning

### Mathematics

Our world is full of shapes. Different shapes and figures are all around us. Grade 2 Students explored the world of 2D and 3D shapes. We enjoyed measuring the length and weight.

10/10

Age: \_\_\_\_\_

### Left or Right

Click on the left plane.      Click on the right parachute.

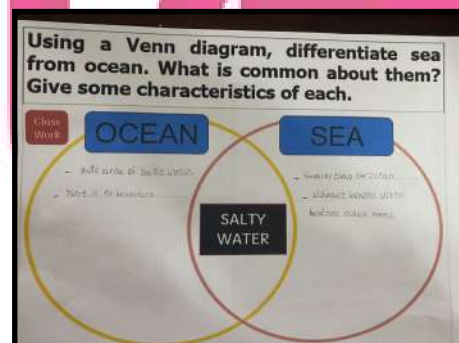

Click on the right hang glider.      Click on the left helicopter.

Click on the left jet.      Click on the right hot air balloon.

### Geography

Our Earth is full of wonders. Grade 2 students explored and enjoyed discovering about our world. They had fun learning about the different parts of the Earth, the continents and the oceans.

## Newsletter January 2021

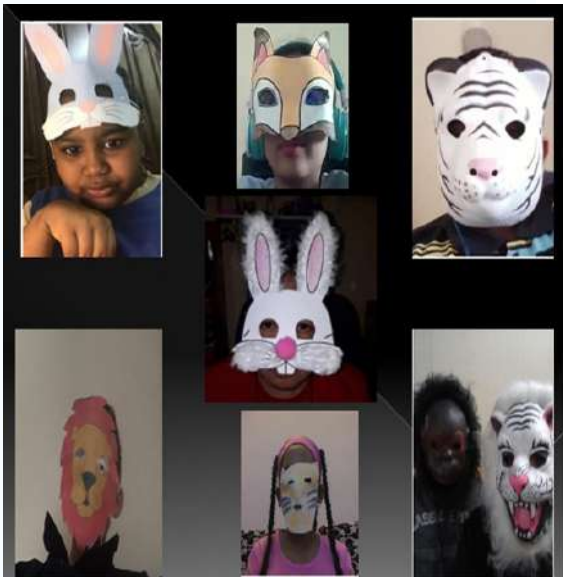

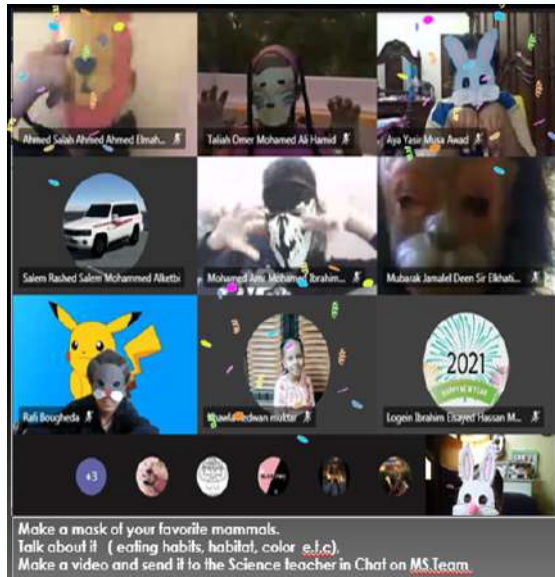

### January – Science Month Celebration 2020 - 2021

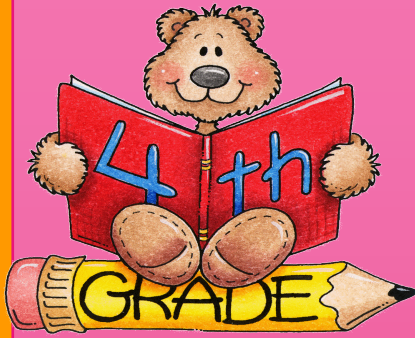

The celebration of the AJB Primary Science Month this year was a little different due to the COVID-19 Pandemic. The Science area had to come up with an alternative way to celebrate the event. Instead of having the usual activities from the previous years which required the physical and active participation of the students, this year we encouraged them to virtually participate in our simple celebration.

The Science Department launched the Alien Fashion Show, Mask Making Contest, Hands on Experiments and Science Quiz Bee 2020-2021. This activities aimed to encourage students to express their talents and creativity, motivate and develop self-confidence by recognizing their excellence and hard work and most of all, to raise awareness about the new learning structure caused by the pandemic.

## MASK MAKING CONTEST

Make a mask of your favorite mammals.  
Talk about it ( eating habits, habitat, color e.t.c)  
Make a video and send it to the Science teacher in Chat on MS Team.

# Science Quiz Bee

## AJB Primary

### 2020-21

Grade 4

Learning is not just about going to school. It comes from well-rounded experiences and widening of knowledge about the truth of life. Science education has a critical role to play in the midst of this pandemic.

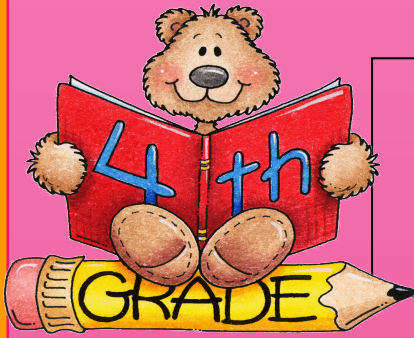

Now that the education system has shifted dramatically to remote learning, the mission still remains – it is to overcome the learning crisis, respond to the pandemic we are all facing, and no student shall be left behind.

## SCIENCE QUIZ BEE 2020 – 21

### Students qualified for the FINAL Round:

- |                       |    |
|-----------------------|----|
| 1. Yara Ahmed         | 4A |
| 2. Ahmed Salah        | 4A |
| 3. Maria N H Almassri | 4B |
| 4. Mohamed Saber      | 4B |
| 5. Oliver Tamer       | 4C |
| 6. Nemar Ashraf       | 4C |
| 7. Ali Musahib        | 4D |
| 8. Mohammad Aariz     | 4D |

# SPELLING BEE COMPETITION ROUND 2

## Spelling Bee Round 2

In the time and age of auto-correct, predictive text and spell check, the Spell-Bee competition for Gr.1 to 6 students held at AJB came as a whiff of fresh breeze.

The Spell- Bee competition for Gr.1-6 students was organized by the Department of English, in the school on 14<sup>th</sup> January 2021. A group of teachers along with the head of the department, Mrs. Asmina Parvez Jafri facilitated the smooth organization and execution of the event. Students participated with great enthusiasm and dueled through the toughest words to prove their mettle.

The competition made students aware of spellings and the usage of many unfamiliar words. It was a wonderful learning experience not only for the participants but also for their peers and served to enrich the vocabulary bank of the students. The medium of competition was NEARPOD.

Below are the names of the students qualified for the FINAL Round of Spelling Bee Competition from Grade 4 A,B,C and D.

Sr.No	Names	Class
1.	Ahmed Salah	4A
2.	Hamza	4B
3.	Oliver	4C
4.	Mohammad Aariz	4D

The final round will be conducted on THURSDAY the 28<sup>th</sup> of January, 2021.

## Grade 5 Newsletter for the Month of January

### OUR HIGHLIGHTS

**Term 2** - Our students have stepped into the 2nd Term for this Academic Year with Enthusiasm and excitement. This year is a year of challenging difficulties, since we are facing the Virus Corona and students continue with DISTANCE LEARNING with professionalism and responsibility .

This Term will also provide entertainment and opportunity for the student to show their talent and skills.

**School reopened for the 2nd term on the 4th January 2021.**

**Open House** : Students term1 results were discussed with parents on 13th -14th and 15th January . Almost 98% parents were presents and encouraged their children to do more better and thanked teachers for all the support and guidance .

**Care program** : CARE program started for the identified students after term 1 performance.

# Assembly Program

## Grade 5D

G 5 D Students presented there Assembly Program on "WORLD KINDNESS DAY, BEING KIND IS NEVER WASTED"!

Through this assembly, the students gave awareness and importance to be kind. Kindness improves our quality of life in the workplace as well as in the community. It brings people together. Doing good for others feels good.

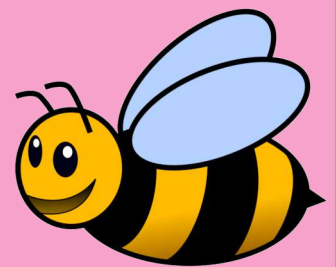

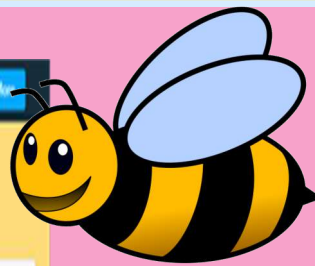

# Spelling Bee Round 2

## Spelling Bee Round-2 Competition

The Interclass Spelling Bee competition for Gr.5 students was organized by the Department of English on the online platform on 14th January 2021. There were four students who qualified from the semi-final. A group of teachers along with the Coordinator, Ms. Asmina Parvez Jafri facilitated the smooth organization and execution of the event. Students participated with great enthusiasm and duled through the toughest words to prove their mettle. The competition made students aware of spellings and the usage of many unfamiliar words. It was a wonderful learning experience not only for the participants but also for their peers and served to enrich the vocabulary bank of the students.

## Grade 6 Newsletter January 2021

This Newsletter is a true and collective record to showcase the new beginning and the new perception of Term 2. This includes the true purpose beyond learning. This is to encourage children think efficiently and to be connected through the digital platform with the temperaments of time.

Grade 6 rejoined the school in the mode of Distance as per the ADEK Guidelines.

“It's not about perfect. It's about *effort*. And when you bring that effort every single day, that's where **TRANSFORMATION** happens.”

- JILLIAN MICHAELS

# Walking through the shots of Science Month

January was the Science month and the students were involved in many interactive activities apart from the class routines. They had the opportunity to participate in a general quiz and the few selected students participated in the final round. They explored and researched about space to find about the planets and modelled as an alien with some super powers.

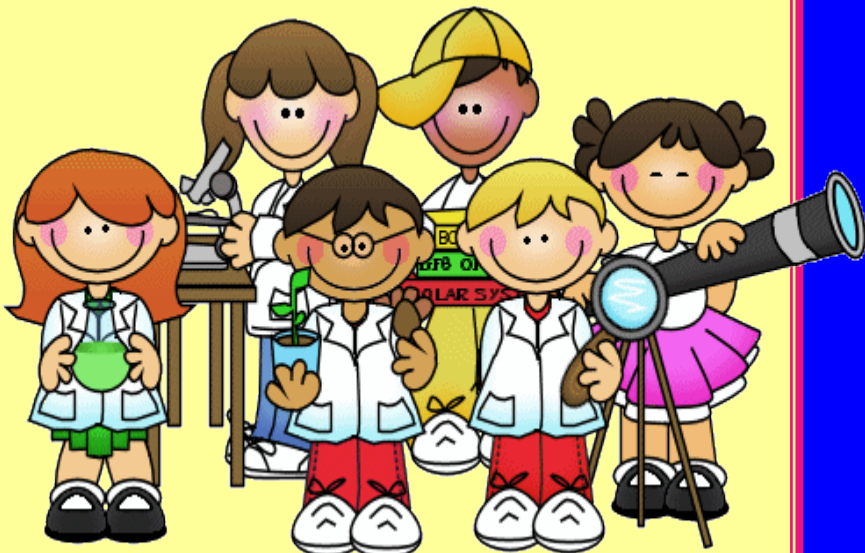

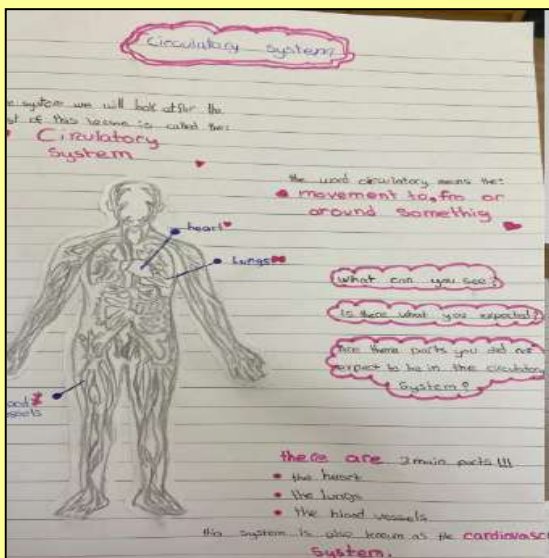

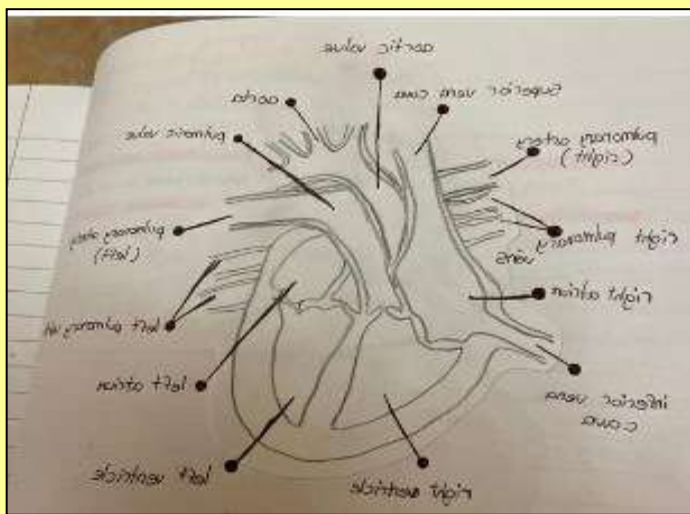

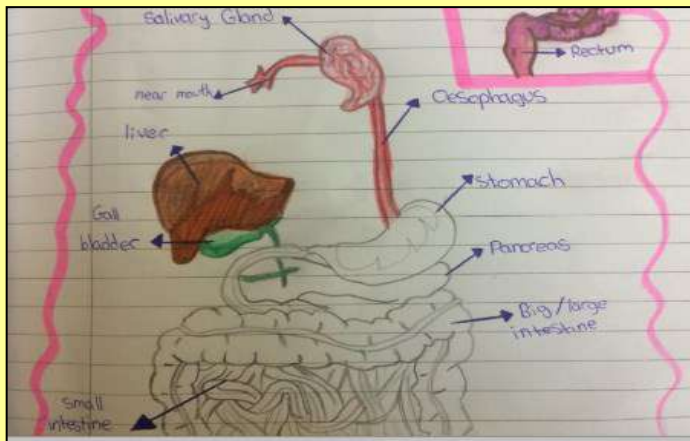

The knowledge about the fauna helped them to adorn their favorite animal's mask and speak well about it. All the activities aroused curiosity and enthusiasm in the participants and their small videos are all saved in the school digital drive.

# Science Activities

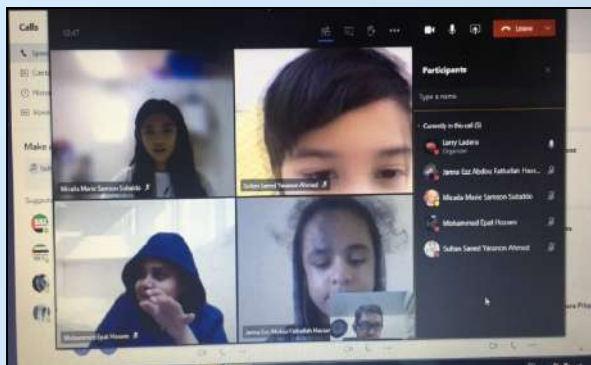

**Term 2 Science curriculum in January was about the Human body Systems and in particular, the Circulatory System. They learned the parts of heart and components of blood and now have a clear idea about how the blood flows and the heart health.**

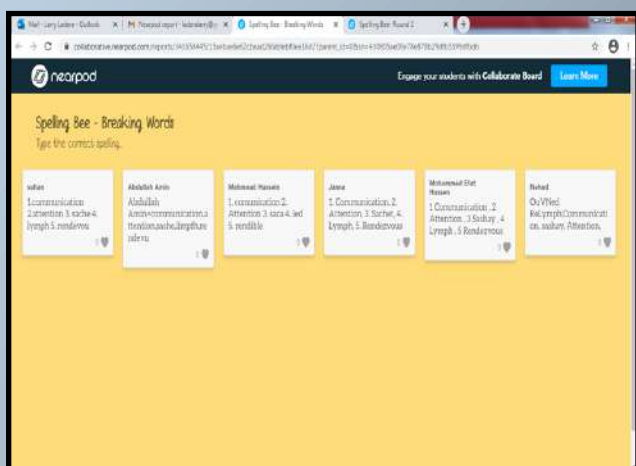

# Corner of Language

AJB – Primary in coordination with English Department headed by Miss Asmina Parvez proudly announce and congratulate to the winners of the recently concluded SPELLING BEE –Grand Finals from Grades 1 -6. The said competition aims to develop the skills and minds of the students in English Spelling and applications. The round 2 winners were only the students joined the FINALE ROUND. The finalist were ready with full of enthusiasm to tackle the high leveled words for the competition. Students did an extra ordinary job during the competition. They were prepared with the encouragement from English teachers and from the Parents. They showed us there authentic capabilities to face the challenge in English Spelling.

**GRADE 6 -Spelling Bee – Wizards for the FINALE**

الامتحان التقدمي ( Progressive test ) GR: 6ABCD  
GEN-ARABIC

Due 18 Jan

View assignment

كما قاموا أيضا بعمل  
امتحان تقديمي لقياس  
المستوى في مادة اللغة  
العربية وقد أفلحوا جميعهم  
فكان امتحانا شيقا وممتعا

# الأعمال الكتابية

قام الطلاب بكتابة ما يطلب  
منهم من دروس أو واجبات  
وإرسالها عليي الدردشة  
داخل الحصص الدراسية  
مما يشجعهم على الكتابة  
بخط أفضل وبصورة

هذه مجموعة لأعمال الطلاب  
العرب والغير عرب لشهر  
يناير لقسم اللغة العربية
