29th June 2022

Subject: Term 1 – A.Y. 2022 – 23

Dear Parent,

Tough weather makes a great captain. We have crossed the rough tides of the pandemic over the last two years. Striding forward, we look to the coming year and work with your children to build an amazing community and lifelong memories. Collectively, we shall prevail and overcome the challenges.

All seeds sprout. At Al Ain Juniors, we take the responsibility of nurturing our children's dreams and ensuring they enjoy their academic journey, as the most glorious years are spent in the safe environs of school, where the wonder of first-time experiences craft childhood memories that will be savoured forever. The ethos that has taken years to build is palpable as soon as you enter the school, and even a casual visitor cannot help but be drawn to the warmth and care that seem to exude from every corner.

Our axiom 'Inch by Inch anything is a cinch' focuses on our students' holistic and homogenized development. This year also umpteen milestones were clinched by our students in the fields of literature, sports, culture, science and technology. Therefore, we proudly promulgate that we are second to none.

Besides our prime goal to meet every child's needs as an individual, our second most important goal is to teach students to develop healthy living habits that will last a lifetime. We accomplish that by having students participate in a wide variety of activities, sports and challenges that will increase their physical, social, and mental abilities. Furthermore, we aim to instill characteristics like teamwork, camaraderie and cooperation. We look forward to providing a safe, fun, and motivating sports programme that will encourage all students to participate have fun and try their best.

Our attitude of gratitude towards you all brings autumn to our campus. We do not take things for granted but with gratitude. Foreseeing incessant and ceaseless buttresses from you all in the coming days.

We hope that you will enjoy a wonderful and well-deserved summer break. We also hope that you will come back relaxed, recharged and ready to start a new school year.

Friday, 1st July 2022 is the last working day before we close for summer Holidays. Vacation begins from Saturday, 2nd July 2022, and the school reopens for students on Monday, 29th August 2022.

We request you all to take care of your health. Although holidays are a time for relaxation, students can utilize the time fruitfully to improvise on their shortfalls. We request all the parents talk to them about good behavior and discipline and maintain a fixed time for studies every day to accomplish the assigned tasks.

Wishing you all tranquility and prosperity!!!

Kindly make a note of the following information given below.
