Grade 3 ABCD

FLAG DAY

Grade 3 students of Al Ain Juniors School has shown their respect and appreciation of the flag through various activities. Students have collaborated in creating a flag with their handprints. They also created smaller flags with different materials.

NATIONAL DAY

All the students came to school all dressed up to celebrate the golden jubilee of the UAE. The students arrived wearing clothes and dresses with the colours of the UAE flag.
Grade 3 students clapped and dance along as students from higher grades showcase their various talents.

CLUBS AND ACTIVITIES

KINDNESS WEEK

Kindness is an important character that Al Ain Juniors School wants all of its students to possess. Students created a kindness tree, where they posted heart shape paper where they wrote encouraging words and acts of kindness.

CYBER-BULLYING

Bullying is something that will never be tolerated in Al Ain Juniors School. Students watched videos on how they can protect themselves from bullies and how they can be an upstander for others. Teachers and students shared experiences and reflected. Then the students created posters on ways to stop bullying.

CHILDREN'S DAY

International Children's day is celebrated on November 20, 2021 which was established in 1954 to promote international togetherness and awareness among children worldwide. UNICEF, the United Nations Children's Fund, promotes and coordinates this special day, which also works towards improving children's welfare.

COMMEMORATION DAY

Commemoration Day is held every year to recognise the dedication and sacrifices of the UAE's military and civilian service people, and to honour those who lost their lives while serving the country.
President Sheikh Khalifa introduced Commemoration Day in 2015.
