Individual stories were allotted to each section. Various activities and classroom decorations were organized based on the story. Parents and grandparents were also invited to read stories for the students which they did enthusiastically.

# Republic Day Celebration

Al Ain Juniors School Indian System celebrated India's 74th Republic Day. The students took pride in glorifying and celebrating the spirit of unity. To mark the importance of this day, a grand celebration was held in the school. The school echoed with patriotic fervour as the children drew scenes of Republic Day celebrations, sang patriotic songs, and wore tri-coloured clothes to mark the occasion.

Students of Grade 1 dressed up as the honourable leaders of the Nation. Ms. Humera Sherief, Vice-Principal of AJI, addressed the gathering and spoke about the sanctity of the occasion and the role played by the constitutional makers with reference to the fundamental rights. She also expressed pride in the rich culture and constitutional framework on UAE and India. Students delivered a speech on the constitution of India and UAE to show the power of tolerance in different nationalities. The students brought the stage alive with their passion and love for their motherland. It is important for the welfare of the country that its present generation should realize that the future is in their hands. It was a memorable day with cherished memories that would last for a lifetime.
