## CHILDREN'S DAY

Nayli Adriana - Grade 11  
Mahnoor Kashif - Grade 10

Zahra Saeed - Grade 10  
Riza Fathima - Grade 11

Al Ain Juniors School proudly hosted an extraordinary event, the Blink Fair, on November 8th, 2024. This vibrant and dynamic gathering, orchestrated by the diligent and visionary members of the Student Council, served as a testament to their exemplary leadership, organizational prowess, and ability to foster a strong sense of community. The central objective of the fair was to promote awareness and raise funds for two critical causes: breast cancer and diabetes.

The event commenced with great fanfare as the school president was given the honor of inaugurating the festivities by performing the ribbon-cutting ceremony. Students from Grades 7 to 9 enthusiastically showcased their ingenuity through a variety of innovative and engaging games, while Grades 10 to 12 impressed attendees with their culinary artistry, presenting an array of delectable dishes.

The Student Council further elevated the event by introducing creative attractions such as a vibrant photo booth, intricate henna designs, lively face painting, and the crowd-favorite treasure hunt. Two thrilling treasure hunts were conducted, each with enticing prizes - the first offering a cash reward of AED 200, and the second featuring a cash prize of AED 250 accompanied by a gift box. The photo booth became a focal point for capturing the colourful and joyful essence of the day.

Every stall reflected immense dedication and commitment, all aimed at raising funds for the noble causes. The event's success was undeniable, as attendees revealed in the lively atmosphere.

The Blink Fair stood out as yet another exemplary student-led initiative, showcasing creativity, teamwork, and determination

# SCHOOL TRIPS

On the 23rd of November, 2024, the boys of Alain Juniors got the opportunity to visit YAS Island, a very fun-thrilled trip that led to a very spectacular day to be spent by the boys. Whereas the girls visited the IMG Worlds of Adventure, which offers a wide range of adrenalinised pumping attractions that features popular Cartoon network characters, marvel superheroes and even dinosaurs. By the end of the trip, students gained valuable insights regarding technology and science, and had a great time throughout the event.

Over 27,000 students from various schools throughout the emirate of Abu Dhabi participated in the ADEK CUP, a renowned competition that offers them the chance to try their hand at winning the cup in their respective categories and to take the first step towards their academic and professional pathways. The championship included 4 different sports, including volleyball, badminton, swimming and distance run. The ADEK CUP is divided into numerous age groups - U13, U15, U17, & U19. Participation in the competition is open for students of all skill levels. The games are designed to foster a spirit of healthy rivalry.

# CHILDREN'S DAY & NATIONAL DAY

While Al Ain Juniors School is deeply committed to academic excellence, it equally values providing opportunities for students to unwind, express themselves, and enjoy a refreshing break from their academic routines. What better way to achieve this than dedicating a day to relaxation, creativity, and joy?

On November 27th, AJB celebrated Children's Day alongside National Day with great enthusiasm and a vibrant spirit. Students showcased their individuality and creativity by dressing in their unique styles, transforming the day into a colourful and unforgettable celebration of youthful imagination and national pride.

The festivities commenced with an Arabic oath honouring the nation, followed by a captivating performance of the traditional Al Ayala dance by young Arab students, symbolizing the spirited essence of National Day. The event then shifted to a light-hearted and entertaining skit performed by teachers, carried by Mr. Arun and Mr. Joel, whose comedic timing brought waves of laughter from the audience.

To heighten the excitement, students participated in an engaging game hosted by their teachers, adding an interactive element to the celebration. The highlight of the day, however, was the remarkable show hosted by the school ambassador, Elfa Elbushra. She took the lead in organizing AJB's very own rendition of "Family Feud," featuring eight senior students from Grades 11 and 12 as enthusiastic participants.

**CHILDREN'S DAY AT AL AIN JUNIORS SCHOOL WAS AN EXHILARATING CELEBRATION, EMBODYING JOY, UNITY, AND THE SPIRIT OF TOGETHERNESS. MORE THAN JUST A SERIES OF EVENTS, IT WAS A HEARTFELT OCCASION METICULOUSLY PLANNED AND EXECUTED BY THE DEDICATED SCHOOL FACULTY, LEAVING A LASTING IMPRESSION ON ALL PARTICIPANTS.**

**A CHILD'S LAUGHTER IS OFTEN DESCRIBED AS THE MUSIC OF A BRIGHTER, HAPPIER FUTURE. LET US CONTINUE TO NURTURE AND CELEBRATE THIS JOY, ENSURING THAT THE PROMISE OF A BETTER TOMORROW BEGINS TODAY.**

**WE EXTEND OUR WARMEST WISHES TO ALL OUR STUDENTS FOR A HAPPY CHILDREN'S DAY!**
