

AJB Cir No. 24 AY/2024-2025/April

15th April 2025

Subject: MUN Registration Circular

Dear Parents,

Greetings from Al Ain Juniors School!

Diplomacy and leadership are essential skills that shape our interactions with the world. These skills teach us negotiation, understanding, and the ability to find common ground, while empowering us to guide others toward shared goals. Both are crucial in our daily lives, in school, and beyond.

This brings us to AJB's 10th Model United Nations program, an educational simulation where students take on the roles of delegates representing different countries in a mock United Nations conference. MUN provides a platform for students to debate global issues and collaborate on solutions to some of the world's most pressing challenges.

Participating in MUN is not just about engaging in stimulating debates; it is also a valuable extracurricular activity that can enhance university applications. Universities appreciate leadership, teamwork, and a commitment to global issues, and MUN is an excellent way to showcase these attributes.

Benefits of Model United Nations (MUN):

- Learn about the international community and engage with like-minded peers.
- Develop critical research and analytical skills to prepare for conferences.
- Acquire new public speaking and negotiation skills valuable for the future.
- Enhance the ability to read between the lines and gain a broader understanding of global problems.

The theme for 2024-25 is **"Fostering Cultural Harmony for a Sustainable Future."**
