On behalf of the AJ Management & Staff

Congratulations to the incredible team from Alain Juniors School for securing **2nd Prize** in the **ADEK Abu Dhabi Sports Championship 2024–25**! Out of **33,000 participants**, **397 schools**, and over **6 months** of intense competition guided by **415 dedicated coaches**, your achievement stands tall as a testament to your unwavering determination, discipline, and team spirit. You've not only brought honour to your school but have also inspired many with your sportsmanship and excellence. We are proud of you—keep aiming higher!

The fourth edition of the Abu Dhabi Sports Championship for Schools & Universities concluded in a thrilling finale on Saturday, May 10, 2025, at ADNEC Marina Hall, following record participation of 33,000 students from across Abu Dhabi, Al Ain, and Al Dhafra.

Hosted by the Abu Dhabi Department of Education and Knowledge (ADEK) in partnership with the Abu Dhabi Sports Council (ADSC) and collaboration with the Ministry of Education (MoE), the 2024/25 season expanded to feature 18 sports disciplines highlighting ongoing efforts to promote student wellbeing, leadership, and personal growth through physical activity and inclusive participation.

The championship comes as part of ADEK's broader talent development program, providing student-athletes with opportunities to be scouted by local and international experts. It also helps open pathways to competitive sports and scholarships aligned with students' academic and athletic goals.

Driven by a common goal, the year-long championship brought to life the vision behind ADEK's Physical Education and School Sports Policy, which aims to foster a culture of activity and wellbeing in schools through a comprehensive PE curriculum, a physical literacy framework, and active parent engagement.

We profusely thank the parents for their coordination & cooperation.
