Dear Parents,
Greetings!

SUBJECT: CELEBRATING OUR SUCCESS – OUTSTANDING TIMSS 2023 RESULTS

We are delighted to share some truly exceptional news with you. Our students in **Grades 4 and 8** have performed **exceedingly well** in the **TIMSS (Trends in International Mathematics and Science Study) 2023** assessments. This international benchmarking test evaluates student achievement in **Mathematics and Science** across schools worldwide.

TIMSS stands for **Trends in International Mathematics and Science Study**. It is a global assessment conducted to evaluate the mathematics and science knowledge of students around the world.

Key Facts:

- **Administered by:** International Association for the Evaluation of Educational Achievement (IEA)
- **Grade Levels Tested:** Primarily 4th and 8th grade students
- **Frequency:** Every 4 years (since 1995)
- **Purpose:**
 - Compare student achievement in math and science across countries
 - Measure trends in performance over time.
 - Gather data on educational contexts, instructional practices, and school environments.

What TIMSS Assesses:

- **Mathematics:** Number, algebra, geometry, data, and probability.
- **Science:** Life science, physical science, Earth science, and scientific inquiry.

Importance:

- Helps policymakers and educators identify strengths and weaknesses in their education systems.
- Provides international benchmarks to guide educational improvements.

Thanks to the hard work, commitment, and perseverance of our students—and the unwavering support of our teachers and parents—our school has achieved a **remarkable milestone**:

- We have officially moved from the **Intermediate** to the prestigious **High Benchmarking Category**.
- Even more impressively, we **surpassed the expected target by 50 points**, demonstrating strong academic growth and global competitiveness.

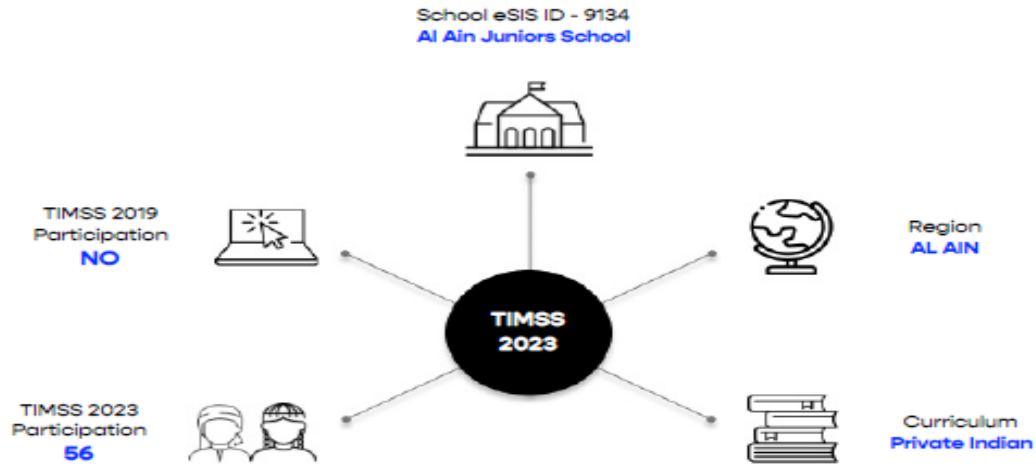

Here are the highlights of our performance:

- **Grade 4 Mathematics: 559**
- **Grade 4 Science: 569**
- **Grade 8 Mathematics: 544**
- **Grade 8 Science: 559**

School and curricula mean score points by grade and subject

How well has your school performed compared to students in the same and different curricula across Abu Dhabi?

TIMSS 2023 assessed students across various international curricula. The mean scores for curricula offered in Abu Dhabi private schools are shown below. Some curricula are excluded due to a limited sample size.

Table 1 - Grades 4 and 8 Mathematics and Science mean score points by curriculum:

Curricula	Grade 4		Grade 8	
	Mathematics	Science	Mathematics	Science
Your TIMSS 2023 Score	559	569	544	559
International Baccalaureate	533	539	531	541
Private American	472	465	471	466
Private British	524	521	525	531
Private Canadian	499	507	528	530
