Dear Valued Parent,

As we approach the end of another eventful and productive year it gives us immense pleasure to look back with pride and see the numerous missions accomplished.

It has been a very satisfactory and successful year as our students have achieved excellent results and have participated in many scholastic and non-scholastic activities during this academic year and excelled in both intra and inter-school events. This would not have been possible without your involvement and support, for which we take this opportunity to thank all the parents for their unconditional support in all our endeavors and look forward to continued cooperation for the benefit of our students.

In view of summer vacation approaching fast, we request the parents to collect the following documents before the school closes for summer vacation

We highly commend and are grateful to the parents who kept their mandatory documentation (EID) up to date and have paid all their dues on time. The parents of the students with lapses in submission of mandatory documents (EID) and pending fee are requested to clear the dues on or before **27th June 2019** to avoid the following consequences:

- The results (Report Cards) for 2018-2019 will not be released to the relevant students.
- Any official letters from school – payment invoice, bona-fide letters, conduct certificate etc. will not be issued.
- Annual fee, books & uniform fee for the next academic year will not be collected from such parents.
- Such students will not be promoted and may be removed from the school with notification to **ADEK**, who will not allow document and fee defaulters to join any other school, until the dues are settled in the previous school.

School Office Closure and Opening:

- School Office will close for summer break from 9th July 2019 to 24th August, 2019.
- The school office will open for the new academic year on 25th August, 2019.

New Class Lists: The new class lists will be available in school on 26th August 2019, as parents come to school for the books and uniforms. The class lists are made giving careful consideration to the demographic details, the number of boys and girls in a class (from KG to Gr.12), students' learning styles and learning aptitudes. AJS recruits the best possible teachers after a screening process by the Human Resources and Academic departments and we believe that learning happens through good student centered teaching and not through a preferred teacher. Therefore, we strongly advise you to abstain from making requests for change of sections. The decision of the school will remain final.
