We are delighted to introduce you to a very prestigious global platform for your children to showcase their talent. This is the "World Scholar's Cup" and its portals are already open for registration.

World Scholar's Cup is a premier international academic event attracting students from all over the world, resulting in "a global community of future scholars and leaders". The World Scholar's Cup (WSC) is an intellectual competition that invites teams of 3 students to study 6 different topics and use their knowledge on these topics to win medals and do their best in each of the 4 events.
